STATE OF GEORGIA
OFFICE OF THE GOVERNOR
ATLANTA 30334-0900

Brian P. Kemp
GOVERNOR

The Georgia State Senate
The Honorable Geoff Duncan, Lieutenant Governor

The Georgia House of Representatives
The Honorable David Ralston, Speaker

The Citizens and Families of Georgia

Dear Lieutenant Governor, Mr. Speaker, Members of the General Assembly, and Fellow Georgians:

This past year has brought unprecedented challenges to our state and its citizens. Faced with a crisis our nation has not seen for over a century, Georgia took decisive actions early to ensure that our state had the resources necessary to combat this threat while maintaining a balanced budget that preserved critical services for Georgians. As we look ahead to the second half of Fiscal Year (FY) 2021 and Fiscal Year 2022, I am optimistic that Georgia's strong economic foundations will continue to support our robust recovery as we continue to be the number one state in which to do business. The budget I am presenting to you will help drive that economic recovery by restoring resources to our K-12 and higher education school systems to develop a skilled and labor-ready workforce, continuing to expand and maintain our critical transportation and logistics infrastructure, and providing financial assistance to rural communities to support innovation and economic development across our state.

Georgia's greatest strength lies in our people. Providing our hardworking Georgians access to a high-quality education is essential to equip them with the foundational skills necessary in a 21st century workforce. This includes affordable access to the post-secondary education that is now a requirement for many well-paying jobs. While uncertain economic conditions during the spring and summer required making reductions to the budget across-the-board, funding for education and supporting our state's teachers remains a priority of my administration. Therefore, this budget provides more than \$647 million in Amended FY 2021 and \$573 million in FY 2022 for K-12 education, fully funding enrollment growth and holding individual school systems harmless in the current fiscal year for any reductions in enrollment they have had this school year due to COVID-19. The budget also restores funding for enrollment growth for our higher education systems not included in the original FY 2021 budget and fully funds the enrollment growth for the FY 2022 school year. I am confident these restorations, combined with the more than \$3.5 billion in assistance our education system is estimated to receive through the federal Education Stabilization Fund, will ensure our teachers and school systems have the resources they need to continue to provide every Georgian with a world class education even amidst the challenges of COVID-19.

In addition to our labor-ready workforce, Georgia's expansive transportation network fuels our travel, tourism, and logistics industries and attracts business from all over the world to the Peach State. Our sea ports, rail, highway, and airports allow companies quick and reliable access to both national and international markets. Properly maintaining our existing infrastructure while also expanding to meet the future economic needs of our state is critical to sustaining and accelerating economic growth. Therefore, my budget adds nearly \$200 million in both the Amended FY 2021 budget and FY 2022 budget to the Department of Transportation for roadways, including \$38.8 million for the State Road and Tollway Authority, which will enable the Authority to leverage more than half a billion in future Guaranteed Revenue Bonds to further expand our toll system and relieve congestion on our busy interstates. The budget also authorizes \$110 million in general obligation bonds for transportation, including \$100 million to continue our work in repairing and replacing bridges and \$10 million to continue upgrading our more than 1,000 miles of short-line rail to Class 2, both of which are vital for our manufacturing and agricultural industries in moving their goods to market quickly and efficiently.

Promoting growth and prosperity in every corner of our state is essential to keeping Georgia's economy strong. COVID-19 has highlighted both the unique opportunities and challenges of our rural communities. Many of the economic, medical, technological, and infrastructure-related obstacles facing rural areas are best addressed through targeted, innovative, public-private solutions tailored to the specific needs of that community - rather than a one-size-fits-all government program. This budget provides nearly \$40 million for the OneGeorgia Authority in FY 2022 to establish a Rural Innovation Fund to provide a ready pool of resources that can support these innovative, targeted solutions to enable our rural communities to build sustainable solutions to the challenges they face.

Additionally, as a result of COVID-19 and the shift of many employers to greatly expand telework options for their employees, more Georgians than ever can now continue to work in their current profession while taking advantage of the space and low cost of living which our rural communities offer. Telework also allows employers to greatly expand their recruiting pool, enabling them to create jobs in rural areas without having to physically relocate. However, to fully take advantage of this shifting work dynamic, along with expanding telemedicine and online learning access, rural communities must have reliable and robust internet capabilities. Therefore, this budget includes \$20 million in the current fiscal year and an additional \$10 million a year going forward for the OneGeorgia Authority to establish a broadband infrastructure grant program. This will provide rural communities access to funding that will enable them to leverage existing federal, local, and private resources to quickly target high-need broadband expansion.

Finally, protecting the health and wellbeing of our citizens remains a top priority of my administration. This budget continues to ensure healthcare access for our most vulnerable citizens by providing more than \$329 million for Medicaid and PeachCare to fund projected needs in the upcoming fiscal year. This budget also continues my promise to expand access to affordable and quality health care, thereby increasing the number of our citizens who have health insurance. Uncompensated care and expensive emergency medical services increase the cost of healthcare for all of Georgia's citizens and our employers, which limits employers' ability to expand their business or raise wages for employees. Therefore, my FY 2022 budget includes \$76 million to implement the Patients First Act, which will increase access to affordable health insurance for tens of thousands of low-income Georgians and lower costs for private sector health coverage.

While Georgia - like every other state - has faced unprecedented challenges over this last year, conservative fiscal leadership has positioned our state to emerge from this crisis stronger than ever with a solid economic foundation that will keep our state moving in the right direction. I appreciate your consideration of this budget recommendation, and I look forward to working with you this legislative session to keep Georgia safe, strong, and prosperous as we look ahead to a brighter tomorrow.

Sincerely,

Note: The surplus for Fiscal Year 2019 includes a lapse of unallotted funds totaling \$181,151,196 in state general funds and \$196,176 in lottery for education funds. For Fiscal Year 2020, the amount of unallotted funds was \$73,835.565 in state general funds. The agency surplus that was returned to the State Treasury for deposit into the Revenue Shortfall Reserve was \$91,449,618 in Fiscal Year 2019. For Fiscal Year 2020, the amount returned to the state treasury was \$415,314,667.73. Surplus lottery funds and tobacco settlement funds are deposited into separate reserves.

Revenue Shortfall Reserve

The 1976 session of the General Assembly created the Revenue Shortfall Reserve in lieu of the Working Reserve. This reserve acts as a savings account or "rainy day" fund for the state should revenue collections decline unexpectedly or uncontrollably. Current law provides that the reserve cannot exceed 15% of the previous fiscal year's net revenue. For each fiscal year, the General Assembly may appropriate an amount up to 1% of the net revenue collections of the preceding fiscal year for funding increased K-12 needs. In addition, the Governor has the authority to release funds from the reserve in excess of 4% of the net revenue of the preceding fiscal year. The chart for FY 2010 includes agency surplus collected after June 30, 2010 and does not include funds used for mid-year K-12 adjustment.

1) The Community Care Services Program (CCSP) was transferred to from the Department of Human Services to the Department of Community Health in FY 2017. The amounts starting in FY 2017 represent both Federal and State funding sources.

2) Administratively attached agency to the Department of Public Health.

3) All other Medicaid benefit expenditures do not include inpatient hospital services.

4) Budget and expenditure data shown above is presented as submitted to the Office of Planning and Budget by state agencies.

The U.S. Supreme Court decision, *Olmstead v. L.C.* (1999) declared that unnecessary segregation of individuals in institutions might constitute discrimination based on disability and be a violation of the Americans with Disabilities Act. The decision affects qualified individuals with a physical, mental, or age-related disability who are receiving state-supported long-term care in a state hospital or nursing home that could also benefit from community placement and are not opposed to the move. It also affects people with disabilities who need state-supported community-based services to avoid going to state hospitals or nursing homes. Since the *Olmstead* decision, Georgia has taken steps to comply with the ruling by making more community services available and accessible to Georgians with disabilities.

State Accounting Office

Roles and Responsibilities

The State Accounting Office prescribes statewide accounting policies, procedures, and practices; prepares the state's annual audited financial statements, Comprehensive Annual Financial Report (CAFR), Budgetary Compliance Report (BCR), and other statewide financial information; manages the state's accounting, payroll, and human capital systems; develops processes and systems to improve accountability and enhance efficiency for disbursement of funds and management of accounts payable including the manner in which disbursements shall be made; and develops systems to improve collection of accounts receivable.

FINANCIAL SYSTEMS

The Financial Systems program provides customer service and operates, supports, monitors, and continually improves the state's enterprise financial accounting, payroll, and human capital management systems, which are available for use by all state organizations in Georgia.

SHARED SERVICES

The Shared Services program executes financial transactions for client agencies while balancing efficiency and customer service to add value through lower cost and improved effectiveness. The Shared Services activities include establishing and linking account structures to support financial information needs, processing payroll and financial transactions for multiple client agencies, reporting of financial information to agency management, and meeting statewide financial information reporting requirements. In addition, the division supports the implementation and deployment of the Statewide Travel Consolidation initiative, which serves to improve the efficiency and effectiveness of the state's travel services activities.

STATEWIDE ACCOUNTING AND REPORTING

The Statewide Accounting and Reporting program provides statewide leadership with respect to financial reporting, accounting policy, and business process improvement. The division prepares and distributes the CAFR, BCR, and other statewide regulatory reports. Additionally, the program maintains a framework for agency internal control assessments to more effectively manage risk and maintain accountability.

ATTACHED AGENCIES

The Georgia Government Transparency and Campaign Finance Commission protects the integrity of the democratic process and ensures fair elections with the public disclosure of campaign financing and significant private interests of public officers and candidates for public office.

The Georgia State Board of Accountancy protects public financial, fiscal, and economic interests by licensing certified public accountants and public accountancy firms; regulating public accountancy practices; investigating complaints; and taking appropriate legal and disciplinary actions, when warranted.

Department of Administrative Services

Roles and Responsibilities

The Department of Administrative Services (DOAS) provides business solutions for state and local governments. DOAS' product and service offerings encompass a broad spectrum that includes purchasing, risk management, enterprise human resources, fleet support services, and surplus property.

STATE PURCHASING

State Purchasing is responsible for procuring a wide range of commodities and services for state government. Purchasing negotiates statewide contracts for the benefit of state and local governments and offers technical assistance in conducting and assessing competitive bids. Purchasing provides cost reduction through aggregation of purchasing demand, competitive procurement, efficient purchasing systems, standards, specifications, and practices.

RISK MANAGEMENT

Risk Management directs the State's internal workers' compensation, liability, property, unemployment insurance, and cyber security programs and manages the Georgia State Indemnification programs for public officers and educators. Risk Management oversees the claims administration process and assists state entities in identifying unique loss exposures and works to develop strategies to reduce the cost of risk associated with individual business operations.

HUMAN RESOURCES ADMINISTRATION

Human Resources Administration provides expertise in personnel policy and practices to help agencies attract, develop, and retain a high performing workforce. Core talent management consulting services currently include recruiting, selection, onboarding, compensation, performance management practices, policy compliance with the State Personnel Board rules and employment laws, and administration of the Flexible Benefits initiative.

FLEET MANAGEMENT

The Office of Fleet Management provides guidance on vehicle purchases, assignment, usage, maintenance, operation, and disposal in accordance with state policies.

SURPLUS PROPERTY

Surplus Property is responsible for the identification, redistribution and/or disposal of state and federal surplus property to state and local governments, eligible non-profits, and to the public. Sales to the public are accomplished through internet sales service providers. Surplus Property also aids local governments with the disposition of property.

CERTIFICATE OF NEED APPEAL PANEL

The Certificate of Need Appeal Panel consists of independent hearing officers appointed by the Governor to review the Department of Community Health's initial decisions to grant or deny a Certificate of Need.

ATTACHED AGENCIES

The Office of the State Treasurer manages, invests and disburses state revenues and local deposits; creates prudent and effective cash management strategies; and ensures efficient and effective implementation of banking services for state entities, while preserving the state's capital and public trust

The Office of State Administrative Hearings conducts administrative hearings and issues decisions in cases that involve disputes between individuals and state entities in accordance with state laws and procedures. The Georgia Tax Tribunal hears contested cases involving the Georgia Department of Revenue.

The Georgia Technology Authority (GTA) is responsible for negotiating and managing state contracts to deliver information technology infrastructure and network services to executive branch agencies, as well as state and local entities through the Georgia Enterprise Technology Services (GETS) program. In addition to IT infrastructure and network services, the authority coordinates with agencies under its purview to provide statewide policies governing technology use and management, as well as the state's cybersecurity and information security initiatives.

The Georgia Aviation Authority (GAA) provides aviation services to state employees traveling on official business. GAA administers logistical support of aviation transport for state business functions and develops standards for state-agency air travel.

Department of Agriculture

Roles and Responsibilities

The Georgia Department of Agriculture administers programs to maintain the state's viable farm industry and protect the consuming public. These programs affect all Georgians as well as countless others throughout the United States and the world where Georgia agribusiness products are consumed.

PLANT INDUSTRY DIVISION

The Plant Industry division administers and enforces federal and state laws relating to fertilizers, feeds, grains, seeds, pesticides and pest control, industrial hemp, nursery and plant certification, honeybees, organic agriculture, and other environmental protection programs. The division inspects and tests sufficient quantities of each agricultural commodity to guarantee that commodities reaching the consumer meet minimum standards and are correctly labeled.

ANIMAL INDUSTRY DIVISION

The Animal Industry monitors, detects, and controls animal diseases that can have a significant impact on the agricultural economy and can be contagious to both animals and people. It works to ensure the continued protection of animal and public health, food safety, animal welfare, and successful livestock production. The division is organized in the sections of Animal Health, Companion Animal and Equine Health, Livestock and Poultry Health, Meat Inspection, and Poultry Market News.

FUEL AND MEASURES DIVISION

The Fuel and Measures division primarily ensures equity in the marketplace by verifying the accuracy of weighing and measuring devices. It inspects measuring devices used for commerce by conducting on-site inspections and tests of commercial weighing devices. Its responsibilities also include operating the state fuel oil laboratory and the state weights laboratory, both of which ensure that Georgia's regulated consumer products meet required quality standards.

FOOD SAFETY DIVISION

The Food Safety division primarily prevents the sale and distribution of adulterated or misbranded foods to consumers. The division administers state laws, rules, and regulations for retail and wholesale grocery stores, retail seafood stores, places in the business of food processing, and plants which are currently required to obtain a license from the Commissioner under any other provision of law.

MARKETING DIVISION

The Marketing division promotes the state's agricultural commodities, ensures prompt and complete payment for products, and ensures safe storage of farmers' products. These efforts are supported by the Department's State Farmers Markets Network, Commodity Promotion Program Office, Business Development Office, Bonding and Warehouse Licensing, and the Farmers and Consumers Market Bulletin publication. The

Marketing division also provides a number of specific marketing programs to benefit Georgia farmers, including: the Georgia Grown program, the Vidalia® onion certification mark, and agritourism signage.

LABORATORIES

The Athens and Tifton Veterinary Diagnostic Labs ensure a safe food supply and the health of animals and people within Georgia by providing diagnostic support, investigative resources, and disease surveillance for naturally occurring and foreign animal diseases and bioterrorism. The labs address the concerns of veterinarians, regulatory agencies, animal owners, and wildlife groups.

The Poultry Veterinary Diagnostic Labs carry out the USDA's National Poultry Improvement Plan and provide diagnostic and monitoring services for Georgia's poultry industry and private poultry owners in the state. The labs also certify that flocks are free from poultry diseases such as avian influenza. These activities ensure that Georgia has the healthiest flocks possible and can continue to produce and export more poultry products annually than any other state.

ATTACHED AGENCIES

The Georgia Agriculture Exposition Authority promotes, develops, and serves agriculture and agriculture business interests in the state, produces and operates the Georgia National Fair, and encourages the agricultural accomplishments of Georgia's youth.

The Georgia Seed Development Commission is the agency responsible for foundation plant material production in Georgia. It is designated as the recipient of breeder seed from University of Georgia Agricultural Experiment Stations.

The Georgia Development Authority is an insured farm loan program created in 1953 to assist and provide low interest loans for Georgia's farmers.

The Agricultural Commodity Commissions are farmer-funded support programs for numerous commodities. Assessments collected by each Commission assist in areas of research, education, and promotion on behalf of the respective commodity.

The State Soil and Water Conservation Commission (SSWCC) was formed to protect, conserve, and improve the soil and water resources of the State of Georgia. The Commission's primary goal is to promote the wise use and protection of basic soil and water resources, and to achieve practical water quality goals through agricultural and urban best practices.

Department of Banking and Finance

Roles and Responsibilities

The Department of Banking and Finance (DBF) enforces and administers all state laws, rules, and regulations governing the operation of state-chartered financial institutions in Georgia. The Department regulates and examines Georgia state-chartered banks, state-chartered credit unions, and state-chartered trust companies.

DBF also has responsibility for the supervision, regulation, and examination of merchant acquirer limited purpose banks (MALPB) chartered in Georgia, as well as international banking organizations, and bank holding companies conducting business in Georgia. DBF has regulatory and licensing authority over mortgage lenders, mortgage brokers, mortgage loan originators, installment lenders (loan companies making small dollar loans of \$3,000 or less), and money service businesses, which consists of sellers of payment instruments, money transmitters, and check cashers.

The Department is authorized to issue and enforce orders requiring financial institutions to correct unacceptable conditions discovered through examinations. The Department approves proposals to incorporate as a state-chartered financial institution, requests to change existing articles of incorporation, and mergers and consolidations of financial institutions. The Department investigates possible violations of state interest and usury laws.

SUPERVISION AND REGULATION

The Department has the authority to adopt rules and regulations regarding the operation of financial institutions that allow state-chartered financial institutions to compete fairly with those chartered by the federal government, other states, or foreign governments; protect Georgia financial institutions threatened by economic conditions or technological developments; and prevent unfair, misleading, or deceptive business practices by financial services providers.

The Department is also responsible for regulating and monitoring the condition of state-chartered banks, credit unions, holding companies, merchant acquirer limited purpose banks, international bank agencies, mortgage brokers and lenders, check cashers, check sellers, and money transmitters.

LICENSING AND REGISTRATION

Article 13 of Title 7 of the Official Code of Georgia Annotated requires mortgage lenders and mortgage brokers, as well as loan originators, to be licensed or registered with the Department to transact business in Georgia. The Department is also responsible for licensing money service businesses (check sellers, check cashers, and money transmitters) and installment loan companies (loan companies making small dollar loans of \$3,000 or less). The Department also conducts investigations of residential mortgage lending, installment lending, and money service businesses.

FINANCIAL EXAMINATIONS

The Department is responsible for examining all financial institutions at least once each year. Mortgage lenders, mortgage brokers, money service businesses, and installment lenders must be examined every five years or less. Exceptions to these examination frequencies are allowed under specific conditions as provided by law and/or policy. If necessary, the Department may require extra reports and conduct additional examinations to obtain essential information. The Department is authorized to issue and enforce orders requiring financial institutions to correct unacceptable conditions discovered through examinations.

OTHER RESPONSIBILITIES

Other responsibilities of the Department include approval of all proposals to incorporate as a state-chartered financial institution, approval of requests to change existing articles of incorporation, and approval of mergers and consolidations of financial institutions to include possible violations of state interest and usury laws.

Department of Behavioral Health and Developmental Disabilities

Roles and Responsibilities

The Department of Behavioral Health and Developmental Disabilities (DBHDD) provides treatment and support services to people with mental illnesses and addictive diseases and support to people with developmental disabilities. DBHDD operates five state regional hospitals and provides community-based services through 24 Community Service Boards and various other private providers.

BEHAVIORAL HEALTH

The Division of Behavioral Health provides mental health services, including community and inpatient services, to children, adolescents, and adults at five state hospitals and through community providers, including Community Service Boards.

The Division of Behavioral Health also provides services to children, adolescents, and adults with substance abuse disorders and addictive disease issues, focusing on promoting and delivering effective, recovery-oriented services. Services are delivered through community-based programs in residential settings. The division includes programs related to substance abuse treatment, prevention, and DUI intervention.

DEVELOPMENTAL DISABILITIES

The Developmental Disabilities division provides services to consumers with developmental disabilities, who have chronic conditions that developed before age 22 and that limit an individual's ability to function mentally and/or physically. Georgia's state-supported services are aimed at helping families to continue to care for a relative in their homes when possible, serving people who do not live with their families in a home setting, and promoting independence and self-determination.

ATTACHED AGENCIES

The Georgia Council on Developmental Disabilities is the state planning council created by a federal mandate through the Developmental Disabilities Act and is charged with creating systems change for people with developmental disabilities and their families to increase independence, inclusion, integration, and productivity for people with disabilities.

The Sexual Offender Registration Review Board helps protect Georgia's citizens by determining the likelihood that a sexual offender will reoffend.

Department of Community Affairs

Roles and Responsibilities

The Department of Community Affairs (DCA) serves as the state's lead agency in local government assistance, safe and affordable housing, and community and economic development.

COMMUNITY AND ECONOMIC DEVELOPMENT

DCA's community development initiatives aim to help the state's communities with job growth and creation. DCA offers economic development and redevelopment incentives and tools designed to help promote growth and job creation throughout the state. Historic preservation services are coordinated by DCA and include proposing properties for nomination to both the National and the Georgia Register of Historic Places, providing grants to support state and local preservation projects, and offering technical assistance on tax incentives. The Department also partners with the Georgia Department of Economic Development to promote economic development through the regional economic business assistance initiative.

Additionally, comprehensive planning assistance is aimed at helping communities address issues of growth, development, and quality of life through implementation of recognized best practices for planning and growth management.

SAFE AND AFFORDABLE HOUSING

DCA supports Georgia communities in addressing their housing needs by offering funding and expertise to communities, organizations, and individuals. The agency provides financing for affordable housing development, mortgages, and down payment loans for moderate-income first-time homebuyers, rental housing assistance to low and moderate-income individuals, and financing for housing for people with special needs.

LOCAL GOVERNMENT ASSISTANCE

Local government assistance involves partnerships with local, regional, state, and federal organizations and agencies and facilitates community issue identification, goal development, and implementation of best practices. Regional field teams assist customers with project development and technical assistance needs while also connecting them to housing and community and economic development programs.

The Department administers local government surveys related to topics including finance, solid waste, and wages and salaries. It also publishes and maintains information and data about local governments and prepares local government fiscal notes for the General Assembly.

ATTACHED AGENCIES

The Georgia Housing and Finance Authority was created to provide financing and financial assistance for affordable housing statewide. The Authority's programs are designed to provide low and moderate-income earners safe and affordable rental housing, to aid in maintaining housing for homeownership, and to help abate homelessness in the state.

The Georgia Regional Transportation Authority conducts transportation improvement studies and reviews developments of regional impact to improve Georgia's mobility, air quality, and land use practices.

The Georgia Environmental Finance Authority provides loans for water, sewer, and solid waste infrastructure; manages energy efficiency and renewable energy programs; oversees land conservation projects; and manages and monitors state-owned fuel storage tanks.

The OneGeorgia Authority provides grants and loans to promote rural economic development and job creation in Georgia. Eligible local governments and local development authorities are awarded financial assistance to help ensure that rural communities have the infrastructure required to attract growth and to respond to the needs of the private sector.

The State Housing Trust Fund for the Homeless Commission provides funds to support homeless assistance programs operated by local governments and nonprofit organizations throughout the state.

Department of Community Health

Roles and Responsibilities

The Department of Community Health (DCH) was created in 1999 to serve as the lead agency for health care planning and purchasing issues in Georgia. A nine-person board appointed by the Governor has policy-making authority for DCH. The Department has three major divisions: Medicaid, State Health Benefit Plan, and Healthcare Facility Regulation.

MEDICAID

DCH is designated as the single state agency for Medicaid. The largest division in the department, the Medicaid Division, purchases health care on behalf of 2 million persons who are aged, blind, disabled, or low income. Program participants utilize a broad array of health care services including: hospital, physician, pharmacy, and nursing home services. Aged, blind, and disabled Medicaid members utilize a fee-for-service delivery system. Most low-income Medicaid members enroll in the Care Management Organizations (CMO) system for the management of their health care services.

State and federal dollars fund Medicaid with the federal government traditionally paying between 65% and 69% of health care costs each fiscal year.

The Division is also responsible for the PeachCare for Kids program, Georgia's version of the federal Children's Health Insurance Program. PeachCare provides medical and dental coverage for approximately 145,000 children whose parents' income is too high to qualify for Medicaid, but who cannot afford private health insurance. Participants pay a monthly premium based on income and family size. Current eligibility allows children in families with incomes between 138% and 247% of the federal poverty level to participate in the program. Most PeachCare members are enrolled in the CMO system.

The Division administers the state's Indigent Care Trust Fund (ICTF). Using intergovernmental transfers and federal matching funds, the ICTF reimburses hospitals serving a disproportionate share of medically indigent Georgians.

STATE HEALTH BENEFIT PLAN

The State Health Benefit Plan (SHBP) Division manages the health insurance coverage for almost 665,000 state employees, school system employees, retirees, and their dependents. The SHBP offers members several coverage options managed by two statewide vendors and one regional vendor, including Health Reimbursement Arrangements (HRA), Health Maintenance Organizations (HMO), High Deductible Health Plans (HDHP), and standard and premium Medicare Advantage Plans.

HEALTHCARE FACILITY REGULATION

The Division of Healthcare Facility Regulation inspects, monitors, licenses, registers, and certifies a variety of health and long-term care programs to ensure that facilities operate at

acceptable levels, as mandated by state statutes and by rules and regulations adopted by the Board of Community Health.

HEALTH INFORMATION TECHNOLOGY

The Health Information Technology (HIT) unit leads the strategic initiatives for the state in health information technology adoption and health information exchange (HIE). Initiatives include the Medicaid Electronic Health Records Incentive program, the Demonstration Grant for Testing Experience and Functional Assessment Tools (TEFT), and the Georgia Health Information Network (GaHIN).

ADMINISTRATION

The Division includes the Office of General Counsel, which provides legal assistance to the department and administers the Certificate of Need (CON) process, the Office of the Inspector General, Operations, Information Technology, Communications, and Financial Management.

GEORGIA BOARD OF DENTISTRY

The Georgia Board of Dentistry is responsible for the regulation of dentists and dental hygienists in Georgia. The Board reviews applications, administers examinations, licenses qualified applicants, and regulates the practice of licenses throughout the state.

GEORGIA STATE BOARD OF PHARMACY

The Georgia State Board of Pharmacy is responsible for the regulation of pharmacists and pharmacies in Georgia. The Board reviews applications, administers examinations, licenses qualified applicants, and regulates the practice of licenses statewide.

ATTACHED AGENCIES

The Georgia Composite Medical Board licenses physicians and other health care practitioners and enforces the Medical Practice Act.

The Georgia Board of Health Care Workforce provides financial support to medical schools and residency training programs. The board offers a physician loan repayment program in exchange for practice in rural and underserved areas.

The Georgia Drugs and Narcotics Agency was created to ensure and protect the health, safety, and welfare of Georgia citizens by enforcing laws pertaining to manufactured or compounded drugs, and to ensure only licensed facilities or persons dispensed or distributed pharmaceuticals.

AUTHORITY

Titles XIX and XXI of the Social Security Act; Title 31 and 33, Official Code of Georgia Annotated. See also OCGA Titles 9-10, 12, 15-17, 19-20, 24-26, 32, 34, 36-37, 40, and 42-52.

Department of Community Supervision

Roles and Responsibilities

The Georgia General Assembly passed House Bill (HB) 310, and on May 7, 2015, Governor Deal signed HB 310 into law thereby creating the Department of Community Supervision (DCS). HB 310 transferred the responsibilities of the community supervision of parolees from the State Board of Pardons and Paroles and probationers from the Department of Corrections to DCS. The bill also transferred oversight of private and governmental misdemeanor probation entities from the County and Municipal Probation Advisory Council (CMPAC) to DCS.

Commencing operations on July 1, 2015, as a part of the executive branch of Georgia's government, the Department of Community Supervision is responsible for the effective and efficient supervision of approximately 224,000 adult felony offenders.

AGENCY OPERATIONS

The Field Operations Division is the largest within DCS. DCS Field Offices are aligned with the 10 judicial districts and 49 judicial circuits. The agency employs evidence-based practices to hold offenders accountable and reduce the state's recidivism rate. The department utilizes a holistic approach to offender supervision that involves all facets of the community, which includes victims and their families, programs for offenders and their families, involvement in community activities and partnerships with other criminal justice agencies.

GOVERNOR'S OFFICE OF TRANSITION, SUPPORT, AND REENTRY

The Governor's Office of Transition, Support, and Reentry (GOTSR) is tasked with promoting successful offender reentry and reducing recidivism in order to enhance public safety. Through collaboration with other state agencies, as well as non-governmental stakeholders, GOTSR works to develop and execute robust and systematic reentry plans for Georgia offenders and to ensure the delivery of appropriate services to offenders reentering society.

COURT, BOARD, AND FIELD SERVICES

The Court, Board, and Field Services Division offers several initiatives and programs that advance the operational priorities of the Field Operations Division, including:

- Parole Board Services, Warrants, and Revocation
- Superior Court
- Accountability Court Services
- Sentencing Alternatives
- Day Reporting Centers
- Electronic and Voice Monitoring
- Community Counseling Services

ATTACHED AGENCIES

The Georgia Commission on Family Violence was created by the General Assembly in 1992 and tasked to develop a comprehensive state plan to end family violence in Georgia. The Commission conducts research and provides training to law enforcement, family violence task forces, advocates, Family Violence Intervention Programs and other criminal justice system personnel about domestic violence. The agency also monitors legislation and other policies impacting victims of domestic violence, certifies all of Georgia's Family Violence Intervention Programs, and co-coordinates the statewide Domestic Violence Fatality Review Project.

Department of Corrections

Roles and Responsibilities

The Georgia Department of Corrections (GDC) administers the prison sentences of offenders adjudicated by Georgia courts. More than 40,000 of these offenders are serving prison sentences. The Department serves the state in the following ways:

- Protecting citizens from incarcerated and supervised inmates; correctional environments will be safe, secure, and disciplined for all staff and offenders.
- Implementing sound correctional practices founded upon reliable and timely information; communications are enhanced through public awareness, collaborative partnerships, and effective departmental teamwork leading to a continuum of balanced sanctions available to the whole criminal justice system.
- Preparing inmates to accept responsibility for their offenses, to restore harm done to the community, and to lead productive, crime-free lives. This involves providing rehabilitative services in the areas of mental health, substance abuse, behavioral counseling, education, and job training.
- Developing a highly trained and professional workforce available to achieve the Department's mission, both today and in years to come.

AGENCY OPERATIONS

Incarceration offers a highly structured and secure environment, which removes offenders who pose a high risk from the community. GDC provides legally mandated services in the areas of physical, dental, and mental health, counseling, education, vocational training, chaplain services, and recreation.

GDC requires offenders in its facilities to work to support the prison system and the community. Inmates work in prison farm operations, food preparation, laundry, construction, facility and landscape maintenance, and perform factory work in Georgia Correctional Industries' manufacturing plants. The types of GDC institutions include the following facilities:

- State Prisons (33): These institutions are typically reserved for felony inmates with more than one year of incarceration to serve.
- County Prisons (21): The state pays a subsidy to county institutions to house and supervise state inmates. Inmates assigned to the county prisons typically work on roadway or construction projects for the county in which they are housed.
- Probation Detention Centers (7) and Probation Boot Camp (1): These two programs offer a short-term, intensive incarceration period that enforces strict discipline and paramilitary protocol.
- Transition Centers (9 stand-alone and 3 attached to other facilities): These community-based centers are designed to allow inmates nearing the end of their prison term to prepare for life in the community. GDC requires residents to have jobs

in the local community, pay room and board to the center, and support their families.

- Private Prisons (4): CoreCivic owns and operates three prisons in Coffee, Jenkins, and Wheeler counties. The GEO Group, Inc. operates one facility in Baldwin County. Like state prisons, these facilities are typically reserved for felony offenders with more than one year of incarceration to serve.
- Residential Substance Abuse Treatment (RSAT) Centers (4 stand-alone and 7 programs within State Prisons): RSAT is a nine-month, highly structured program that targets high risk, high needs inmates nearing release, probationers sentenced by the courts, parole revocators and other court or GDC-referred inmates who have a need for intensive substance abuse programming.
- Integrated Treatment Facilities (2): ITF is a nine-month, highly structured program that actively combines interventions intended to address both mental health and substance abuse issues in persons with co-occurring disorders with the intention of treating both disorders, related problems and the whole person more effectively.
- Re-Entry Facility (1): GDC has reopened a state prison facility that has been remissioned to function as a re-entry facility for the Metro Atlanta area. The facility focuses on rehabilitating offenders to achieve recidivism reduction and accommodate re-entry needs. Offenders are connected, pre- and post-release, with local stakeholders in the areas of employment, housing, education, treatment, and other services needed to successfully transition back into society.

Other agency operations critical to the state correctional system include the following programs:

- Health Services: Provides the required constitutional level of health care in the most efficient, cost-effective, and humane manner possible, while protecting the public health interests of the citizens of Georgia through planning, implementing, and coordinating physical, dental, and mental health services as required, across GDC.
- Food and Farm Operations: Provides meals for offenders through raising crops and livestock, managing timber, and producing dairy items that will be used in the preparing of meals for offenders.
- County Jail Subsidy: Provides reimbursement to counties for the cost of incarcerating state prisoners in their local facilities while awaiting transfer into GDC custody after sentencing.
- Offender Management: Coordinates and operates the following agency wide support services to ensure public safety: canine units, the County Correctional Institutions program, Correctional Emergency Response Teams, inmate classification, inmate diagnostics, the jail coordination unit, the release and agreements unit, and tactical squads.

Department of Defense

Roles and Responsibilities

The Department of Defense serves the nation and the State of Georgia by organizing and maintaining National Guard forces, which the President of the United States can call to active duty to augment the nation's regular armed services, or which the Governor, as Commander-in-Chief of the State Militia, can order deployed in instances of disaster, riot, violence, or other dangers threatening the state and its citizens. The Department achieves these objectives through its four components: Office of the Adjutant General, Air National Guard, Army National Guard, and the State Defense Force. Using these components, the Department operates and manages approximately 1,200 training, maintenance, and logistics army facilities statewide. In addition to its core mission, the agency also operates Youth Challenge Academies which provide educational opportunities to at-risk youth.

GEORGIA AIR NATIONAL GUARD

The role of the Georgia Air National Guard is to provide fully equipped and trained combat units which are prepared to respond to state or national emergencies. The activation and deactivation, organization, administration, training, equipping, and housing of its units, as well as the evaluation of its wartime capability, are mandated responsibilities.

GEORGIA ARMY NATIONAL GUARD

The Georgia Army National Guard is responsible for maintaining a level of operational readiness which allows for immediate and effective response to state or national emergencies, civil disturbances, and natural disasters.

OFFICE OF THE ADJUTANT GENERAL

The role of the Office of the Adjutant General is to provide command and control of the entire organization, as well as centralized administrative support for the department. The Adjutant General also serves as the state's director of the Selective Service System.

STATE DEFENSE FORCE

The role of the volunteer State Defense Force is to serve as an auxiliary unit in the event of a full mobilization and to provide assistance to state and local governments and civil organizations during emergencies and natural disasters, as well as support for the staging of special events.

YOUTH CHALLENGE ACADEMY

Another responsibility of the Department of Defense is the operation of Youth Challenge Academies for at-risk youth in the State of Georgia. This program is a preventative rather than a remedial program that targets at-risk youth participants 16 to 18 years of age who are high-school dropouts, unemployed, drug-free, and not involved in the criminal justice system.

Department of Driver Services

Roles and Responsibilities

The Department of Driver Services (DDS) provides license and identification card issuance, driver education and training, and records management. The agency also oversees motorcycle safety, commercial driver's licensing and compliance, and DUI course certification. DDS was established by Executive Order on July 1, 2005, in accordance with HB 501. The three primary programs include Departmental Administration, License Issuance, and the Regulatory Compliance Division.

DEPARTMENTAL ADMINISTRATION

The Departmental Administration program is responsible for the assistance and policy direction of the Department of Driver Services. The function of the program is to provide administrative support for the License Issuance and Regulatory Compliance programs. The program includes administrative, financial, public information, legal, human resources, facilities, fleet, and information technology services.

LICENSE ISSUANCE

The License Issuance program carries out the issuance of driver's licenses and permits, as well as public identification cards, the suspension and reinstatement of driver's licenses, and the administration of the commercial driver's license program.

The Department utilizes 60 full-time customer service centers, and seven part-time customer service centers which are situated strategically throughout the state.

REGULATORY COMPLIANCE DIVISION

The Regulatory Compliance program is responsible for licensing driver training schools and instructors, licensing driver improvement clinics and instructors, certifying ignition interlock devices and provider centers, and providing online Alcohol and Drug Awareness Program (ADAP) classes.

Bright from the Start: Department of Early Care and Learning

Roles and Responsibilities

Bright from the Start: Georgia Department of Early Care and Learning (DECAL) is primarily responsible for meeting the child care and early education needs of Georgia's children ages birth through five. It administers the nationally recognized Pre-Kindergarten program, the federal Child Care and Development Fund, the federal child care subsidy program, and federal nutrition programs. The agency also houses the Head Start Collaboration Office and licenses and monitors child care providers.

DECAL also works to enhance the quality, availability, and affordability of early care and education in Georgia. Health and safety, quality and access, and organizational excellence are the agency's guiding principles.

Training and professional development are integral parts of all programs administered by DECAL. The agency coordinates annual professional learning opportunities for Georgia's early learning teachers, administrators, and program sponsors.

PRE-KINDERGARTEN PROGRAM

Georgia's lottery-funded, voluntary, universal Pre-Kindergarten Program serves approximately 84,000 students in over 3,800 classes. Georgia's Pre-K Program is one of the largest and most comprehensive Pre-K programs in the nation and continues to be a model for other states.

Pre-K is offered in public school systems as well as through private child care centers. Children four years of age on September 1st of the current school year whose parents are Georgia residents are eligible to attend Georgia's Pre-K Program.

CHILD CARE SERVICES

Child Care Services is responsible for licensing and registering approximately 3,100 child care learning centers and 1,400 family day care homes.

Child Care Services supports child care programs through monitoring, technical assistance, and training to assure safe and healthy environments and improve the quality of education services to children. The staff provides information to parents about Georgia child care programs and trains child care providers on the age appropriate development and care of young children according to established standards.

Federal and state funds also provide subsidized child care for low income working families that meet eligibility requirements for child care assistance through the Childcare and Parent Services (CAPS) program.

NUTRITION SERVICES

The Nutrition Services program is responsible for administering the United States Department of Agriculture's Child and Adult Care Food Program (CACFP) and the Summer Food Service Program (SFSP) for Georgia. The goal of these programs is to ensure that low-income children and adults throughout Georgia have access to nutritious meals while they are in a day care setting and during the summer when school is not in session. These programs serve over 85 million meals annually to eligible children. Nutrition Services provides healthy eating and physical activity training and resources for parents and providers through the USDA programs and Caregivers Promoting Healthy Habits Program.

QUALITY INITIATIVES

The Quality Initiatives program works to improve the quality, affordability, and accessibility of child care for children and families. In partnership with internal and external resources, the Quality Initiatives program implements innovative strategies that focus on improving the quality of early education, child care, and nutrition for young children. This includes funding for Georgia's three-star rating system, named Quality Rated, that provides families with helpful information in selecting quality child care and that supports child care providers in raising the quality of care they offer. Other services include the Child Care Resource and Referral System, the Parent Call Center, Inclusion Services, the Scholarships and Incentives programs, and the Georgia Program for Infant and Toddlers.

Department of Economic Development

Roles and Responsibilities

The Georgia Department of Economic Development (GDEcD) serves as the lead agency for attracting new business investment, encouraging the expansion of existing industry and small businesses, and locating new markets for Georgia products.

GLOBAL COMMERCE

The Global Commerce division assists businesses that are interested in growing or locating in the state. The agency provides services to support this mission, such as site locating, employee training, market research and connecting businesses with local communities' business development programs. Global Commerce includes the Innovation and Technology Office, which is aimed at attracting high technology and biotech companies to locate and grow in Georgia.

INTERNATIONAL RELATIONS AND TRADE

The International Relations and Trade program promotes the state as an ideal source for quality products and services by matching international buyers with Georgia suppliers. The program also works to develop international markets for Georgia products through business and trade missions, foreign advertising, a network of overseas offices and representatives, and by providing technical and educational assistance to businesses.

SMALL AND MINORITY BUSINESS DEVELOPMENT

The Small and Minority Business Development program assists entrepreneurs, startups, and small and minority businesses by providing technical assistance on direction, planning, and business needs. The program also identifies potential markets and suppliers and aids local communities to help build enabling business environments in support of small business.

FILM, MUSIC, AND DIGITAL

The Film, Music, and Digital Entertainment Office develops and promotes the state's film, television, commercial and music video production, and music recording industries. The office works to attract new entertainment companies and expand existing companies, as well as expanding the entertainment workforce.

TOURISM

The Tourism division works with local and regional tourism organizations in the development of products and promotions. Through its network of regional representatives, it also assists the state's communities and attractions in bringing potential travelers to their areas.

COUNCIL FOR THE ARTS

The Georgia Council for the Arts (GCA) works with communities, local governments, and arts organizations to educate and encourage use of arts as a tool for economic development and to preserve our cultural heritage and create increased access to high quality arts experiences.

RURAL DEVELOPMENT

The Rural Development division assists rural communities in becoming more competitive for economic development projects. Representatives from the Department meet with rural stakeholders to identify key strengths and challenges that a community may face. The Department's representatives then educate rural leadership of potential economic development opportunities or assistance programs that may benefit their community. Rural Development also provides for the operations of Georgia's Centers of Innovation, which provide technical expertise and collaborative research opportunities to businesses in key industries.

ATTACHED AGENCIES

The Georgia Ports Authority develops, maintains, and operates ocean and inland ports within Georgia, including the Port of Savannah and Port of Brunswick.

The Georgia World Congress Center Authority operates the Georgia World Congress Center and oversees Centennial Olympic Park and related facilities which host major conferences, trade shows, meetings, and athletic events.

The Savannah-Georgia Convention Center Authority replaced the Georgia International Maritime Trade Center Authority. The authority oversees the Savannah Convention Center which hosts major conferences and events.

Department of Education

Roles and Responsibilities

The State Board of Education establishes policies that the Georgia Department of Education administers under the direction of the State Superintendent of Schools and appoints and reviews the decisions of the State Charter Schools Commission of Georgia (SCSC).

The Department disburses state education funds, provides technical assistance and support services to local school systems, operates three state schools for hearing and visually impaired students, and provides intensive assistance to local schools identified with significant student achievement issues. The SCSC is an independent state level entity with the ability to authorize and monitor state charter schools providing more public educational opportunities throughout the state.

There are 219 state funded local education agencies in the state (180 school systems and 39 state commission charter schools) operating more than 2,300 schools. These schools are primarily funded through the Quality Basic Education (QBE) formula - a partnership between the state and local school systems that provides over \$9 billion in funding for education.

CURRICULUM, INSTRUCTION, AND ASSESSMENT

The Department of Education transitioned from the Georgia Performance Standards (GPS) to the Georgia Standards of Excellence (GSE) for the subject areas of English/language arts and mathematics in the 2012-2013 school year. These standards were adopted for all of Georgia's K-12 public schools and align with college and career readiness standards that will help prepare Georgia's students with the knowledge and skills they need in education and training after high school. The standards are internationally benchmarked and are consistent with rigorous high school diploma requirements for all students.

The Department implemented the Georgia Milestones Assessment System (Georgia Milestones), a comprehensive summative assessment program spanning grades 3 through high school designed to measure how well students have mastered the skills outlined in the state-adopted content standards in language arts, mathematics, science, and social studies. Students in grades 5 and 8 complete an end-of-grade assessment in each content area, while students in grades 3, 4, 6, and 7 complete an end-of-grade assessment in mathematics and English. High school students complete an end-of-course assessment for each of the eight courses designated by the State Board of Education.

In addition to providing daily instruction, the Department administers a number of programs for students in need of additional services, including a program for disabled preschool children, tuition for the multi-disability students, and funding for the Georgia Network for Educational and Therapeutic Support (GNETS) through grants totaling \$92.5 million.

In an effort to expand educational opportunities for all students in Georgia, the department offers a variety of digital experiences through Georgia Virtual Learning. These experiences include the opportunity to take courses through the Georgia Virtual School, recover credit through Georgia Credit Recovery, and access aligned digital content through a blended learning model. All courses and content provided through Georgia Virtual Learning are aligned with the Georgia Standards of Excellence in the core content areas, foreign language, business electives, and Advanced Placement. There were over 30,000 course enrollments for the 2019-2020 school year.

SUPPORTING LOCAL SCHOOL SYSTEMS

The Department administers funds and provides technical assistance for school improvement. As part of Georgia's flexibility waiver from the U.S. Department of Education, Georgia developed the Georgia College and Career Ready Performance Index (CCRPI). The CCRPI is a comprehensive school improvement, accountability, and communication platform for all education stakeholders. The Department also implemented the Georgia Student Growth Model that measures the amount of growth a student has demonstrated relative to academically-similar students from across the state. The School Improvement program continues to offer a wide array of services, including professional learning, data analysis, planning and organization, and instructional best practices for schools not meeting standards.

The Department of Education also provides funding and support for many state and federal grant programs, including Title I Part A, Migrant Education, McKinney-Vento Homeless Education, Rural Education, Neglected and Delinquent Education, 21st Century Community Learning Centers, Teacher and Leader Effectiveness, Individuals with Disabilities Education Act, Pupil Transportation, Equalization, and Career, Technical and Agricultural Education.

ATTACHED AGENCIES

One agency is attached to the Georgia Department of Education for administrative purposes. The State Charter Schools Commission of Georgia annually reviews the academic and financial performance of commission charter schools. It also develops and promotes best practices to ensure the establishment of high-quality charter schools in Georgia.

The State Board of Education reviews the decisions of the State Charter Schools Commission of Georgia. The SCSC operates autonomously, but is funded through the Department.

Employees' Retirement System

Roles and Responsibilities

The Employees' Retirement System (ERS) administers nine separate retirement systems and programs: ERS, the Legislative Retirement System (LRS), the Georgia Defined Contribution Plan (GDCP), the Georgia Judicial Retirement System (GJRS), the Public School Employees Retirement System (PSERS), the State Employees' Assurance Department (SEAD), the Georgia Military Pension Fund (GMPF), Georgia's Social Security Program, and PeachState Reserves.

ERS is a vehicle for collecting employee and employer contributions, investing accumulated funds, and disbursing retirement benefits to members and beneficiaries. As required by Georgia law, the system is examined on an annual basis by an independent actuarial firm that specializes in pension and retirement plans. The firm prepares a yearly valuation on the contingent assets and liabilities of the system, thus revealing its ability to meet the future obligations of each retirement plan. An independent accounting firm also audits the system each year.

EMPLOYEES' RETIREMENT SYSTEM

Since 1949, the staff of ERS has administered retirement benefits for state employees in accordance with the Official Code of Georgia. Full-time employees of participating departments are required to become members of ERS as a condition of employment, except for employees who first become eligible after age 60.

The ERS Board of Trustees is ultimately responsible for administration of the system, while the executive director – who is appointed by the board and serves at the pleasure of its members is responsible for daily management of ERS operations. The board consists of seven members as follows:

- Three ex officio members (State Auditor, Department of Administrative Services Commissioner, and State Treasurer)
- One member appointed by the Governor
- Two members – appointed by the first four members – with five or more years of creditable service with ERS and
- One member – appointed by the first six members – who must not hold public office, not be an ERS member, and have at least 10 years of experience in the investment of money

The members who are not ex officio members serve four-year terms.

LEGISLATIVE RETIREMENT SYSTEM AND GEORGIA DEFINED CONTRIBUTION PLAN

LRS is a retirement plan for members of the General Assembly, while GDCP is a plan for temporary, seasonal, and part-time employees of the state not covered by ERS or the

Teachers Retirement System (TRS), and who do not participate in Social Security. Both plans are placed under the administration of the ERS Board of Trustees.

GEORGIA JUDICIAL RETIREMENT SYSTEM

This system is for members and retirees of the Superior Court Judges Retirement System, the District Attorneys' Retirement System, and the Trial Judges and Solicitors Retirement Fund, as well as certain employees of the Attorney General and Legislative Counsel. The GJRS Board of Trustees consists of the seven ERS trustees plus three additional members appointed by the Governor who serve in one of the following positions: state court judge, superior court judge, state court solicitor-general, juvenile court judge, or district attorney. These appointments are for four-year terms.

PUBLIC SCHOOL EMPLOYEES RETIREMENT SYSTEM

PSERS offers a supplemental retirement plan to certain public-school employees not covered by TRS. These employees include bus drivers, cafeteria workers, and custodians. The PSERS Board of Trustees consists of the seven ERS trustees plus two additional members appointed by the Governor for four-year terms.

GEORGIA MILITARY PENSION FUND

GMPF provides retirement allowances and other benefits for the Georgia National Guard. A member becomes eligible for benefits upon attainment of age 60 with 20 or more years of creditable service (including at least 15 years of service as a member of the National Guard), having served at least 10 consecutive years as a member of the National Guard immediately prior to honorable discharge.

PEACHSTATE RESERVES

PeachState Reserves is the deferred compensation retirement plan for the State of Georgia. Through this program employee contributions and investments in 401(k) and 457 plans are administered.

State Forestry Commission

Roles and Responsibilities

The State Forestry Commission protects and manages Georgia's forestland, which comprises approximately 75 percent of all land in the state. The Commission has four programs: Administration, Forest Protection, Forest Management, and the Tree Seedling Nursery. Through these programs, the Commission provides a wide variety of services to rural forest landowners, offers technical assistance to municipalities and urban landowners, provides seedlings to the citizens of Georgia, and protects the forest resources of the State through fire prevention and suppression.

TREE SEEDLING NURSERY

Reforestation efforts are accomplished through the Commission's Tree Seedling Nursery activities with a goal of producing, selling, and distributing high quality forest tree seedlings to the residents of Georgia.

The Arrowhead Seed Orchard and the Flint River Nursery serve as the program's main seedling nursery locations. The Arrowhead Seed Orchard is the site for seed collection, as well as the location for the tree improvement program. At Arrowhead, program staff collect and process over seven tons of seeds per year. The seeds are sold to private nurseries or are shipped to the Flint River Nursery to be planted. The tree improvement program produces unique varieties of loblolly and slash pine trees, which are designated to thrive in Georgia's environment. At the Flint River Nursery, the program produces and sells forest tree seedlings. The nursery grows, lifts, and packs millions of seedlings each year.

FOREST MANAGEMENT

In Forest Management, the Commission provides technical assistance and services to private and industrial landowners, provides leadership and technical assistance in establishing and maintaining sustainable urban and community forests, and provides professional expertise to resolve conflicts between development and forest resources.

Forest Management helps to conduct forest health monitoring (including periodic insect and disease evaluations, surveys, and eradication), promotion of forest water quality and monitoring of best management practices, and cost share technical assistance to forest landowners in establishing sound forestry practices. Additionally, the department conducts the management of four State-owned and two non-State-owned forests through State Managed Forests.

The Commission also works to educate the public about forest resources and their contributions to the economy and the environment of Georgia both nationally and internationally. Forest Management also collects forestry data used to inform Georgia residents and policymakers through its Forestry Inventory and Analysis subprogram.

FOREST PROTECTION

Forest Protection is carried out through its fire business activities. This includes a statewide network of county and district offices supplied with staff and equipment necessary for the prevention and suppression of forest fires. The basic fire suppression function includes the prompt detection and reporting of fires, followed by a prompt response from firefighters operating crawler tractor-plow units and water trucks. In addition, forest rangers carry out prescribed burns to mitigate forest fire risks.

Under Georgia Code, the Commission is responsible for all wildfires in unincorporated areas of the state through the Rural Fire Defense subprogram. This program ensures coordination and cooperation with rural fire departments across the state and is the most valuable forest protection community outreach program offered by the Commission. Rural Fire Defense provides low cost fire equipment as well as assistance with training and operations for local, mostly rural, fire departments statewide.

Through the Fire Prevention and Education activities, the Commission provides information about the dangers of wildfires and their prevention and has established prevention measures such as burn permitting to encourage responsible debris burning.

Office of the Governor

Roles and Responsibilities

The Governor is the Chief Executive Officer of state government. Constitutionally, he is charged with executing the laws of the state and conserving the peace as Commander-in-Chief of the Georgia National Guard. The Governor is also charged statutorily with a number of responsibilities, including the economic and fiscal management of state government. To accomplish these duties, the Governor must meet and work with citizens of Georgia, officials of local governments, members of the General Assembly, state agency heads, and federal officials.

The Office of Planning and Budget (OPB) assists the Governor in the development of a policy driven state budget and manages the fiscal affairs of the state through budget amendments and allotments. OPB assists state agencies in the development of their strategic plans and ensures compatibility with the State Strategic Plan and performs financial and personnel functions for the Office of the Governor and attached agencies. OPB also monitors agency performance and conducts management studies and other evaluations of state government operations.

ATTACHED AGENCIES

The Georgia Professional Standards Commission and the Governor's Office of Student Achievement are two administratively attached agencies that work toward the goal of an educated Georgia. The Georgia Professional Standards Commission is responsible for establishing and administering rules and standards for the preparation, certification, and conduct of Georgia educators.

The Governor's Office of Student Achievement establishes educational accountability policies and standards for the state to establish the "official" education report card which is reported to stakeholders and used to provide education policy support to the Governor.

The Office of the Child Advocate contributes to the goal of a healthy Georgia. The Office of the Child Advocate provides for the protection of children and assists the Office of the Governor with oversight of healthy and safe services for some of Georgia's most important resources – our children. The Child Advocate provides independent oversight of persons, organizations, and agencies responsible for providing services to and/or caring for children who are victims of child abuse and neglect or whose domestic situation requires intervention by the state.

The attached agencies focusing on a safe and responsible and efficient Georgia are the Georgia Emergency Management and Homeland Security Agency, the Commission on Equal Opportunity, and the Office of the State Inspector General. The Georgia Emergency Management and Homeland Security Agency works with state and local agencies to protect the state from man-made and natural disasters and to carry out a comprehensive emergency and disaster readiness program.

The Commission on Equal Opportunity's mission is to protect any individual in public employment from discrimination in the workplace. In addition, the commission ensures that the sale, purchase, or rental of housing within the state is free from any discrimination based on race, color, religion, sex, national origin, handicap, or age.

The Office of the State Inspector General was created by Executive Order to prevent and investigate fraud, waste and abuse in state government. Their goal is to produce a more efficient, cost-effective, and trustworthy government.

Department of Human Services

Roles and Responsibilities

The Georgia Department of Human Services (DHS) is responsible for the delivery of social services. DHS serves all Georgia citizens through regulatory inspection, direct service, and financial assistance programs.

AGING SERVICES

The Division of Aging Services administers programs for older Georgians and adults with disabilities. These programs provide in-home services to maintain independence, public education and outreach services, health promotion, senior employment, investigative and protective services for vulnerable adults, transition services from long-term care facilities to communities, and an ombudsman program for Georgians in long-term care.

FAMILY AND CHILDREN SERVICES

The Division of Family and Children Services (DFCS) provides child welfare and economic assistance services. Services are provided through a network of community partners, contract agencies, and offices in all 159 counties

CHILD SUPPORT SERVICES

The Division of Child Support Services (DCSS) helps children by enforcing parental obligation to pay financial support. Services include locating non-custodial parents, confirming paternity, establishing and enforcing child support and medical support orders, and collecting and distributing payments.

RESIDENTIAL CHILD CARE

The Residential Child Care Unit inspects, monitors, licenses, registers, and certifies a variety of child caring programs to ensure that facilities operate at acceptable levels, as mandated by State statutes and by rules and regulations adopted by the Board of Human Services.

ADMINISTRATION

DHS has administrative offices that provide executive and policy direction to all divisions of DHS, as well as technical and administrative support to all of DHS.

ATTACHED AGENCIES

The Council on Aging provides leadership to the Coalition of Advocates for Georgia's Elderly, researches aging issues, and publishes fact sheets and other educational materials to increase public awareness and understanding of issues of concern to Georgia's older adult population.

The Family Connection Partnership is a public/private partnership that serves as a resource to state agencies across Georgia to help improve the conditions of children and their families.

The Georgia Vocational Rehabilitation Agency provides opportunities for work and personal independence for Georgians with disabilities. The agency administers several programs: Business Enterprise Program, Disability Adjudication Services, Georgia Industries for the Blind, Vocational Rehabilitation, and Disability Adjudication Services.

The Safe Harbor for Sexually Exploited Children Fund provides care, rehabilitative services, residential housing, health services, and social services to sexually exploited children as well as supports programs devoted to awareness and prevention of sexual exploitation of children.

Office of the Commissioner of Insurance

Roles and Responsibilities

The Office of the Commissioner of Insurance is accountable for upholding state laws regulating insurance, small loans, fire safety, and manufactured housing. The department organizes its efforts in fulfilling these responsibilities around six divisions.

ADMINISTRATION

The Administration Division provides management, policy direction, enforcement, and administrative support for the Department's programs which regulate companies and protect consumers in the areas of insurance, industrial loans, fire safety, manufactured housing, arson investigations, building inspections, and hazardous materials handling and storage. The division's activities include accounting, budgetary, personnel, and purchasing duties for all agency divisions. Additionally, the division oversees the establishment and implementation of department policies and procedures.

INSURANCE REGULATION

The Insurance Regulation Division is responsible for administering Georgia's insurance laws and regulations. This division is also responsible for the oversight of insurance companies (including approving rates, as well as life, health, property, and casualty policy forms), regulating group self-insurance funds, and insurance company solvency. The division also processes applications for insurance companies to conduct business in the state and insurance agent license applications.

ENFORCEMENT

The Enforcement Division is responsible for advising the Department on legal issues related to Georgia's insurance, safety, fire, and industrial loan laws and regulations.

The legal section makes recommendations and drafts orders for proposed administrative actions against licensees and unauthorized entities which are believed to be in violation of the Georgia Insurance Code, the Fire Safety Code, or the Industrial Loan Code.

FIRE SAFETY

The Fire Safety Division oversees inspections, engineering, hazardous materials, manufactured housing, safety engineering, and arson. Activities include enforcing the safety standards to operate, handle, and manufacturer boilers, elevators, amusement rides, hazardous materials, and manufactured housing. Additionally, the Fire Safety division ensures buildings meet fire code requirements through building plan reviews. Furthermore, fires are investigated to assist prosecutors with criminal action. Division staff process licenses and permits for related fire protection industries, manufactured housing industries and for those who use and store hazardous substances and materials.

SPECIAL FRAUD UNIT

The Special Fraud Unit investigates claims of insurance fraud. This unit was established with the goal of reducing the occurrence of insurance fraud and the resulting financial burden it places on businesses and consumers.

Georgia Bureau of Investigation

Roles and Responsibilities

The Georgia Bureau of Investigation (GBI) serves as the primary state-level investigative and enforcement agency in Georgia's fight against crime and corruption. Upon request, the GBI provides investigative and enforcement support services to local, state, and federal law enforcement agencies throughout Georgia. The GBI also provides forensic laboratory services, serves as Georgia's central repository for criminal history record information, and uses the latest technological advancements in crime fighting to combat drug trafficking and other crimes. Additionally, GBI provides legal consultation services to local prosecutors in cases involving criminal street gangs.

INVESTIGATIVE DIVISION

The Investigative Division is the largest division of the GBI. Operations are based out of regional offices, regional drug enforcement offices, and other work units that provide specialized services in criminal investigations.

Special agents from the Investigative Division respond to requests from criminal justice officials to investigate major crimes. GBI agents are the primary investigators of officer-involved shootings and other types of officer-involved use-of-force incidents around the state. Investigations of crimes occurring on state property, drug investigations, child sexual exploitation, anti-terrorism investigations and crimes against the elderly can be initiated without request.

The regional field offices conduct general investigations of all crimes, while regional drug enforcement offices investigate all levels of drug trafficking with an emphasis on major violators. Specialized areas of operations within the agency include:

- Child Exploitation and Computer Crimes Unit
- Commercial Gambling Unit
- Elder Abuse
- Financial Investigations Unit
- Georgia Cyber Crime Center
- Human Trafficking and Criminal Gang Units
- Multi-Jurisdictional Drug Task Forces
- Polygraph Unit
- Georgia Information Sharing and Analysis Center
- Special Operations Unit/Bomb Disposal Unit
- Major Theft Unit

FORENSIC SERVICES

The Division of Forensic Sciences analyzes submitted evidence, interprets the results, reports scientific conclusions based on those results, and testifies in court about the results and conclusions. The laboratory system provides analysis or scientific support in the following scientific disciplines:

- Chemistry (Drug Identification, Fire Debris)
- Firearms
- Forensic Biology (Serology and DNA, DNA Database)
- Implied Consent (Breath Alcohol Testing Certification)

- Impressions (Latent Prints, Document Examination, Shoe/Tire Prints)
- Medical Examiners
- Toxicology (Blood Alcohol, DUI & Postmortem Toxicology)
- Trace Evidence (Hair, Fiber, Gunshot Residue, Paint, Plastics)

CHILD FATALITY REVIEW PANEL

The Child Fatality Review Panel serves Georgia's children by promoting more accurate identification and reporting of child fatalities, evaluating the prevalence and circumstances of both child abuse cases and child fatality investigations, and monitoring the implementation and impact of the statewide child injury prevention plan in order to prevent and reduce incidents of child abuse and fatalities in the state.

GEORGIA CRIME INFORMATION CENTER

The Georgia Crime Information Center (GCIC) operates a statewide Criminal Justice Information System (CJIS) Network that links criminal justice agencies to automated state and national information databases. GCIC audits all Georgia criminal justice agencies that are part of the CJIS network. GCIC also operates and maintains the central repository of criminal records for the state of Georgia, utilizing an Automated Fingerprint Identification System and linking with local law enforcement agencies and courts for real-time updates. GCIC collects and maintains statistical data describing the extent and nature of reported crime and participates in the national uniform crime reporting system operated by the Federal Bureau of Investigation. GCIC's other services include the maintenance of the Georgia Sex Offender Registry established in 1997 and the criminal gang database established in 2020.

ATTACHED AGENCIES

The Criminal Justice Coordinating Council (CJCC) serves as the state administrative agency for numerous federal grant programs and manages the state-funded Accountability Court and Juvenile Justice Incentive grants. It operates Georgia's Crime Victims Compensation Program, which provide financial assistance to victims of violent crime.

CJCC also provides administrative support for the Council of Accountability Court Judges (CACJ) and oversees the fiscal administration of the grants awarded in accordance with CACJ's funding decisions. CACJ is charged with determining the funding priorities for accountability courts in an effort to curtail imprisonment, reduce recidivism, and rehabilitate non-violent property and drug offenders. It is also responsible for quality control and the administration of accountability courts.

Department of Juvenile Justice

Roles and Responsibilities

The Department of Juvenile Justice (DJJ) was created by the General Assembly in its 1992 session. The Department's role is twofold:

- Provide for the supervision, detention, and rehabilitation of juvenile offenders committed to the state's custody or supervision, and
- Provide necessary public safety services by appropriately separating youth offenders from the community.

The Department accomplishes its mission through the operation of its four programs: Community Services, Secure Detention, Secure Commitment, and Departmental Administration. DJJ provides its services to over 20,000 youth every year and maintains a daily population of about 10,500. Youth who enter into the Department's care include those sentenced to probation and short-term incarceration, or committed to the state's custody as part of a long-term secure confinement plan.

Based on a needs assessment, youth placed in the Department's care receive a variety of rehabilitative services as well as required educational programming. The Department operates the 181st state school district and has received dual accreditation from both the Southern Association of Colleges and Schools (SACS) and Correctional Education Association (CEA) for both its regular and vocational education components. Juvenile offenders participate in many therapeutic and counseling programs that support their transition back into their communities and reduce the risk of future delinquent activity. One of the Department's foremost principles is that of Balanced and Restorative Justice, a set of values that asks that the primary stakeholders in a crime be involved in repairing the harm caused and work to ensure that the community is a stronger place following the incident.

DJJ operates under the guidance of a 15-member board appointed by the Governor.

COMMUNITY SERVICES

This program houses the services provided to youthful offenders placed in community settings as a result of directives issued by the Juvenile Court system. A broad continuum of specific programs delivering supervisory and rehabilitative services are provided to these youthful offenders, including specialized residential placements, multi-systemic therapy services, intensive supervision programs, and electronic monitoring. In addition, increased supervision strategies and evidenced based programming have been implemented to address Juvenile Justice Reform requirements. Over 9,000 youth reside in community-based settings on any given day while in the Department's care.

DJJ simultaneously oversees three education transition centers (ETC) which aim to keep children in classrooms. These ETC's offer high school diploma's as well as GED's and provide local youth with opportunities to continue their education and earn course credits outside of public school classrooms.

SECURE DETENTION

All of the state's 19 Regional Youth Detention Centers (RYDCs) are included in the Secure Detention program. RYDC facilities are designed to provide a secure placement for youth awaiting formal adjudication for an offense and those youth sentenced to short-term incarceration of up to 30 days. Approximately 700 youth are housed in secure detention facilities daily.

SECURE COMMITMENT

The state currently utilizes six Youth Development Campus (YDC) facilities, which house juvenile offenders committed to the state for a maximum of five years. Approximately 300 youth are housed in secure commitment facilities on a daily basis.

Both RYDC and YDC facilities provide the youth housed therein with a variety of services, including academic, recreational, vocational, medical, counseling, and other therapeutic programs.

Amended FY 2021 Budget Changes

Community Service

Purpose: The purpose of this appropriation is to protect the public, hold youth accountable for their actions, assist youth in becoming law-abiding citizens and transition youth from secure detention, and provide the following alternative detention options: non-secure detention shelters, housebound detention, emergency shelters, a short-term stay in a residential placement, tracking services, wraparound services, electronic monitoring, or detention in an alternative program. Additionally, Community Supervision supervises youth directly in the community according to their risk and need levels, provides transitional and treatment services to those youth either directly or by brokering or making appropriate referrals for services, and provides agency-wide services, including intake, court services, and case management.

Department of Labor

Roles and Responsibilities

The mission of the Georgia Department of Labor (GDOL) is to provide customized workforce solutions through technology, dedicated staff, and collaboration. There are three broad federal program areas administered by the GDOL – Employment Services, Labor Market Information, and Unemployment Insurance.

EMPLOYMENT SERVICES

Employment services help businesses find qualified workers and individuals find jobs. The services also provide businesses, economic development organizations, job seekers and workforce policymakers with up-to-date, customized workforce data. GDOL also provides workforce statistics and employment data by industry and occupation, worker availability, wages and projected employment trends at the state, regional and local levels.

GDOL also is responsible for the child labor laws, which assists working youth to obtain necessary work permits; informs businesses, schools and parent groups of the relevant child labor laws; and inspects workplaces employing youth to ensure their safety on the job.

UNEMPLOYMENT INSURANCE

In administering the Unemployment Insurance program, GDOL staff assists employers with state unemployment tax rates and charges, processing tax payments and employment reports, and provides unemployment insurance benefits to qualified individuals who have lost their jobs through no fault of their own.

SERVICE DELIVERY

Employment, reemployment, and unemployment insurance services are provided through the department's statewide network of career centers and a comprehensive online presence. The career centers work closely with partners to ensure businesses and individual customers receive services that fully address their workforce needs. Specific groups, including veterans and returning service members, agribusinesses and migrant workers and others receive customized services.

Department of Law

Roles and Responsibilities

The Department of Law, headed by the Attorney General, provides legal representation and advice to the departments, officials, and employees of the executive branch of state government. The Attorney General is a constitutional officer elected to a four-year term in the same general election as the Governor.

The Department of Law represents the state in any civil and criminal case to which the state is a party, in all capital felony actions before the Georgia Supreme Court, and in all actions before the Supreme Court of the United States.

As the chief legal officer of the state and the legal advisor to the executive branch of state government, it is the duty of the Attorney General to provide opinions on any question of law involving the interests of the state or duties of any department. It is also the responsibility of the Attorney General to prepare and review contracts and other legal documents in which the state is interested and to draft proposed legislation or rules and regulations for state departments.

The Attorney General, as head of the Department of Law and chief legal officer of the state, is authorized to institute and conduct investigations at any time into the affairs of the state and its departments and agencies or the official conduct of any state official or employee, as well as the affairs of any person, firm, or corporation for violations in their dealings with the state, and may criminally prosecute violations of any state laws arising in relation to dealing with the state. The Attorney General is also vested with complete and exclusive authority and jurisdiction in all matters of law relating to state authorities.

The Department of Law is organized into nine legal divisions and an operations division, all of which are headed by the Attorney General. The specialized legal divisions, Regulated Industries and Professions, Commercial Transactions and Litigation, Criminal Justice, General Litigation, Government Services and Employment, Consumer Protection, Medicaid Fraud Control, Special Prosecutions and Solicitor General units, provide a full range of civil legal services to state departments, agencies, authorities, boards, bureaus, commissions, and institutions. Additionally, the Special Prosecutions Unit carries out the criminal prosecutorial functions vested in the Department of Law and the Medicaid Fraud Control Unit investigates and prosecutes Medicaid fraud both civilly and criminally. Finally, the Solicitor General represents the State in selected constitutional matters in both state and federal courts and provides legal advice and assistance in legal appeals arising out of the Department's cases.

Executive Branch entities reimburse the department for the litigation expenses incurred, such as court costs, witness fees, filing costs, and reporting costs.

Department of Natural Resources

Roles and Responsibilities

The Department of Natural Resources provides natural resource development, management, and protection services to Georgia's citizens and local governments. These services include the operation of state parks and historic sites; management and protection of wildlife and coastal resources; enforcement of wildlife, boating safety, and environmental laws; and protection and management of the state's water, air, and land resources in accordance with various state and federal laws.

COASTAL RESOURCES

The primary objectives of this program are to ensure the commercial and recreational utilization of Georgia's marine fisheries and to protect coastal Georgia's tidal marshes and sand sharing systems. These objectives are accomplished through research, technical assistance, and habitat enhancement.

ENVIRONMENTAL PROTECTION

This program is largely a regulatory body whose main objective is to enforce state laws, federal laws, and rules and regulations regarding water quality, water supply, air quality, solid waste, and hazardous waste. These objectives are accomplished through a permitting process coupled with monitoring, inspection, and investigation and enforcement activities. The program also manages the Hazardous Waste Trust Fund and the Solid Waste Trust Fund, which provide remediation cleanups to potentially dangerous waste sites.

PARKS, RECREATION AND HISTORIC SITES

This program provides recreational opportunities to the citizens of Georgia through the development and operation of all state parks and historic sites, which attract over 10 million visitors per year. The program manages over 86,000 acres with such amenities as campgrounds, cottages, lodges, swimming pools, group camps, and golf courses, and provides technical assistance in archaeological matters.

WILDLIFE RESOURCES

Lands and freshwater habitats are managed by Wildlife Resources for public hunting, fishing, other wildlife-based recreation, and educational purposes. This program also promotes the conservation and wise use of game and non-game wildlife resources. The program manages public fishing areas, wildlife management areas, and produces fish in state hatcheries.

LAW ENFORCEMENT

The primary objectives of this program are to enforce all state and federal laws and departmental regulations relative to protecting Georgia's wildlife, natural, archaeological, and cultural resources, department properties, boating safety, and litter and waste laws. Law Enforcement also teaches hunter and boater education classes and assists other law enforcement agencies

upon request in providing public safety for the citizens and visitors of Georgia.

GEORGIA OUTDOOR STEWARDSHIP

The primary objective of this program is to provide funding through grant and loan opportunities for state and local parks and trails, land acquisition, and stewardship of conservation lands in the state.

ATTACHED AGENCIES

The Jekyll Island State Park Authority is responsible for the development and operation of tourist, convention, and recreational areas and facilities on the island.

The Lake Lanier Islands Development Authority is responsible for managing through contract the development and operation of tourist, convention, and recreational areas and facilities on the islands.

The Southwest Georgia Railroad Excursion Authority is an initiative that seeks to bring tourists through historic middle Georgia via scenic rail.

The Stone Mountain Memorial Association is responsible for managing through contract the operation of tourist engagement, as well as the management of convention and recreational areas and various other facilities at the mountain.

The North Georgia Mountain Authority provides oversight of various state park lodges and golf courses in the State of Georgia.

State Board of Pardons and Paroles

Roles and Responsibilities

The State Board of Pardons and Paroles is comprised of five members appointed by the Governor and empowered to grant, deny, condition, and revoke executive clemency. With the support of more than 800 staff members, the board reviews the sentences of all inmates to determine what degree of executive clemency may be warranted, directs the clemency action, and monitors the progress of all offenders who have been paroled or conditionally released from prison until the completion of their sentences.

AGENCY OPERATIONS

In order to accomplish its mission, the agency has identified three core budgetary programs:

- **Board Administration:** Conduct the internal operations of the agency including fiscal management, staff training, human resources, quality assurance audits, and houses the board.
- **Clemency:** Making informed parole decisions and administering the parole violation, commutation, and interstate compact processes.
- **Victim Services:** Ensuring crime victims have a voice in the criminal justice process.

The Clemency Decisions program consists of the Clemency and Field Services Divisions. The Clemency Division gathers information and prepares cases for the Board Members to make informed parole decisions on current inmates. Parole decisions include a thorough review of individual criminal history, circumstances of the offense, recommendation of time to serve based on scientific, agency developed, Parole Guidelines, and validated risk assessments. The Pardons unit within the Clemency Decisions program compiles, reviews, processes, and presents for consideration all requests for restoration of civil, political, and firearms rights and pardons of all types.

The Field Services Division gathers information and prepares cases for the Board Members to make informed decisions regarding the issuance of board warrants, revocations or continuances of parole, extraditions, and considerations for commutation of parole. This case preparation includes the review and recommended actions in response to delinquent reports submitted by community supervision officers as a result of parole violations in the community. Additionally, the Field Services Division includes statutory activities related to Georgia's adherence to the Interstate Compact. The Interstate Compact Unit is responsible for conducting extradition activities, conducting preliminary and probable cause hearings, and managing the interstate compact process for all Georgia parolees.

The Victim Services program is comprised of the Office of Victim Services (OVS). OVS provides opportunities for victims to communicate the impact of offender actions at all stages of the criminal justice process, by coordinating services for the Department of Corrections, the Department of Community Supervision, and the Parole Board. OVS provides systems for victims to obtain information regarding the custody status of inmates and notification upon release of the offender, as well as opportunities for face-to-face contact with the Board via Victim Visitor's Day.

State Properties Commission

Roles and Responsibilities

The State Properties Commission (SPC) is the real estate portfolio manager for the state and is responsible for the acquisition and disposition of all state-owned real property or real property interests, except for the University System of Georgia Board of Regents and Department of Transportation.

SPC assists state entities in the location of cost effective and operationally efficient workspace in state-owned facilities or commercially leased space in accordance with space standards adopted by the Commission.

SPC provides management and oversight for the State's leased property portfolio. Services offered range from locating and procuring new lease locations to renewing to renegotiating existing agreements in both state and commercially owned facilities. The Building, Land, and Lease Inventory of Property (BLLIP) database currently reflects state-owned buildings, state leases, and state-owned and leased land.

ATTACHED AGENCIES

The Georgia Building Authority (GBA) owns and operates buildings and various facilities located in the Capitol Hill complex, including the Georgia State Capitol and the Governor's Mansion.

GBA has a portfolio of numerous buildings, parking facilities, parks and plazas, warehouse complexes, and confederate cemeteries. Services provided by GBA include maintenance, renovations, landscaping, housekeeping, event scheduling, food service, parking, and building access services.

Georgia Public Defender Council

Roles and Responsibilities

The Georgia Public Defender Council (GPDC) is responsible for assuring that adequate and effective legal representation is provided, independently of political consideration or private interests, to indigent persons who are entitled to representation. This legal representation is consistent with the guarantees of the Constitution of the State of Georgia, the Constitution of the United States, and the mandates of the Georgia Indigent Defense Act of 2003. GPDC provides such legal services in a cost-efficient manner and conducts that representation in such a way that the criminal justice system operates effectively to achieve justice.

The GPDC serves as administrative support for the 43 circuit public defender offices throughout the state through two programs – Public Defender Council and Public Defenders. The Council program ensures that Georgia's indigent defense team has the guidance and support necessary to provide effective and comprehensive client representation. It does so by providing training and professional development for the attorneys and other staff involved in defending indigent clients, representing the interests of defense attorneys throughout the state, and providing administrative assistance to circuit public defenders as needed.

In addition, the Council program includes the Office of the Georgia Capital Defender, which provides direct and co-counsel representation, assistance, and resources to indigent persons in death penalty cases and appeals, and the Office of the Mental Health Advocate, which represents indigent persons found not guilty by reason of insanity or mentally incompetent to stand trial.

The Public Defenders program consists of each of the 43 circuit public defenders and their offices, along with providing payments to the six opt-out circuits. In partnership with the counties, these circuit public defender offices represent indigent adults and juveniles in a variety of statutorily specified proceedings. Within the Public Defenders program, the Conflicts Division is responsible for ensuring that legal representation is provided where a conflict of interest exists within the local circuit public defender office.

Department of Public Health

Roles and Responsibilities

In 2009, HB 228 restructured the state's health and human services agencies. The Division of Public Health was transferred from the Department of Human Resources to the Department of Community Health (DCH). In 2011, HB 214 transitioned the Division of Public Health and the Office of Health Improvement from DCH to a newly created Department of Public Health (DPH). DPH has a nine-person board appointed by the Governor.

DPH has three major functions; the first function of DPH is to diagnose, investigate, and monitor any diseases, injuries, and health conditions that may have an adverse effect upon Georgia's communities and people. The second major function of DPH is to ensure the health and safety of Georgia's citizens by providing health protective services, including emergency preparedness. The third and final function of DPH is to establish and implement sound public health policy.

HEALTH PROTECTION

Health Protection includes Emergency Preparedness/Trauma System Improvement, Epidemiology, Inspections and Environmental Health, Infectious Disease, and Immunization programs. These programs are responsible for ensuring conditions that protect the health and well-being of Georgia's citizens by preparing for and responding to disasters, conducting surveillance and outbreak investigations, detecting and preventing environmental hazards, and providing disease control and prevention services.

HEALTH PROMOTION

Health Promotion includes Maternal and Child Health Promotion, Disease Prevention, the Georgia Volunteer Health Care Program, and the Office of Health Equity. These programs improve the health of Georgians by promoting healthy lifestyles, expanding access to low-cost healthcare for uninsured individuals, and working to reduce health inequities throughout the state.

ATTACHED AGENCIES

The Brain and Spinal Injury Trust Fund Commission works to improve the quality of life of Georgians with traumatic brain and spinal cord injuries by distributing grant funds.

The Georgia Trauma Care Network Commission distributes funds appropriated for trauma system improvement and works to stabilize and strengthen the state's trauma care system.

Department of Public Safety

Roles and Responsibilities

The Georgia Department of Public Safety (DPS) includes the Uniform Division of the Georgia State Patrol (GSP). Its responsibilities include patrolling public roads and highways and investigating traffic accidents within the State of Georgia, thereby safeguarding the lives and property of the public. The Department's troopers work to reduce accidents and injuries by enforcing traffic laws, encouraging seat belt use, and targeting drivers under the influence of drugs and alcohol. In addition, the Department provides law enforcement assistance to other local and state agencies of the criminal justice community in areas such as specialty units, fugitive apprehension, and Homeland Security.

The Department's other responsibilities include providing for the personal security of the Governor and First Lady, Lieutenant Governor, Speaker of the House, and the Chief Justice of the Georgia Supreme Court, as well as the overall safety of employees, visitors, and facilities present on the Capitol Hill Area. DPS also houses the Motor Carrier Compliance Division which is responsible for enforcing Georgia's commercial vehicle size, safety, and weight regulations, High Occupancy Vehicles (HOV) Lane restrictions, and conducting school bus safety inspections. The Office of Public Safety Officer Support provides peer counselors and critical incident support services for the benefit of public safety officers.

In an effort to provide the services to the state and public as directed by the Governor, the Department of Public Safety has several unique units that contribute to the overall mission. These units include the following:

- Field Operations
- Aviation
- Capitol Police
- Motor Carrier Compliance Division
- Administration
- Office of Public Safety Officer Support

ATTACHED AGENCIES

The Georgia Public Safety Training Center provides instruction and support services for the training of state and local law enforcement officers, firefighters, correctional officers, and emergency personnel.

The Georgia Firefighter Standards and Training Council is responsible for establishing uniform standards for the employment and training of firefighters. Additionally, the Council establishes curriculum requirements and approves schools and facilities for the purpose of fire training.

The Georgia Peace Officer Standards and Training Council is responsible for improving law enforcement in the state by enforcing legislatively established standards for the employment and training of peace officers.

The Governor's Office of Highway Safety is responsible for the development and administration of statewide highway safety programs. The agency educates the public on traffic safety and facilitates the implementation of programs that reduce crashes, injuries, and fatalities on Georgia's roadways.

Public Service Commission

Roles and Responsibilities

The Public Service Commission (PSC) is responsible for regulating public utility companies under its jurisdiction. In carrying out its responsibilities, the Commission promulgates and enforces rules governing regulated companies, assists consumers of regulated companies with questions and problems, and educates the public on consumer rights and responsibilities in the evolving regulatory environment. Above all, the Commission aims to ensure that the best value in electric, natural gas, and telecommunications service is delivered to Georgia consumers and that the level of pipeline safety and utility facility protection practiced in the state remains high.

The PSC is an executive regulatory agency directed by a five-member Constitutional Board. Commissioners are elected through statewide general elections and serve six-year terms. The agency's staff includes accountants, analysts, engineers, information systems specialists, inspectors, and various administrative personnel who assist the Commissioners in fulfilling their duties. The Commission has three programs: Administration, Facility Protection, and Utilities Regulation.

FACILITY PROTECTION

Through its Facility Protection program, the Public Service Commission protects people, property, and the environment from physical harm from a release of natural gas or other liquid and averts interruptions of utility service resulting from damage to utility facilities caused by blasting or excavating. The Commission fulfills its responsibilities by enforcing industry compliance with safety rules and regulations and by educating system operators. By training operators, the Commission ensures that industry personnel understand proper procedures for locating and marking utility facilities before blasting or excavating.

UTILITIES REGULATION

The Utilities Regulation program is responsible for the regulation of utility services throughout the state. The program is responsible for monitoring the rates and service standards of electric, telecommunications, and natural gas companies. Additionally, it is the role of the Commission to approve supply plans for electric and natural gas companies; monitor utility system, telecommunications network, and energy generation planning and construction activities; arbitrate complaints among competitors; provide consumer protection and education; and certify competitive natural gas and telecommunications providers.

Board of Regents of the University System of Georgia

Roles and Responsibilities

The University System of Georgia (USG), through its 26 public colleges and universities, is charged with providing higher education to Georgia residents. USG works to create a more educated Georgia through its core missions of instruction, research, and public service.

INSTRUCTION

USG is comprised of four research universities, four comprehensive universities, nine state universities, and nine state colleges.

Access to higher education is critical to the economic development of the state. USG institutions offer doctorate, first professional, masters, baccalaureate, and associate degree programs. USG institutions also offer various one-year and advanced certificate programs. In fall 2020, USG enrolled 341,485 students and in FY 2020 granted 70,879 degrees.

RESEARCH

Research is concentrated at four research universities: the University of Georgia, Georgia Institute of Technology, Georgia State University, and Augusta University. Funding for research is derived from the funding formula, federal and private sponsored research, and special state programs, such as the Georgia Tech Research Institute.

Georgia Tech Research Institute (GTRI) is a research component of the Georgia Institute of Technology. GTRI uses science and engineering expertise to solve some of the toughest problems facing government and industry across the nation and around the globe.

PUBLIC SERVICE

The University System of Georgia offers direct service to farmers, businesses, industry, and communities through continuing education, public service institutes, and special services and organizations, such as the Enterprise Innovation Institute and Cooperative Extension Service.

The Enterprise Innovation Institute (EII) encourages industrial and economic development by providing an extension service that meets the technical and informational needs of industry and local development groups. EII also provides support for new technology companies.

Cooperative Extension Service (CES) assists Georgia farmers through a network of county extension agents who share information and research developed through the Agricultural Experiment Stations. CES also offers useful and practical information to the people of Georgia on subjects related to natural resources, home economics, youth development, rural development, and family support.

OTHER ACTIVITIES

The Board of Regents also oversees the Georgia Public Library Service (GPLS) which provides guidance, consulting services, training, technology services, information, and materials and handles the disbursement of state and federal funds to meet the needs of the public libraries serving local communities throughout the state. There are 61 public library systems that operate 407 public libraries statewide. In addition, GPLS operates the state's library for the blind and physically disabled.

ATTACHED AGENCIES

The Georgia Public Telecommunications Commission (GPTC) provides a nine-station television and 18-station radio network designed to meet the educational, cultural, and informational needs of Georgia residents. Additionally, GPTC provides electronically delivered classroom support for all Georgia learners.

The Georgia Military College (GMC) is a liberal arts college located in Milledgeville with 13 satellite campuses and an online campus. GMC also runs a preparatory school for grades 3-12.

The Georgia Commission on the Holocaust was established to educate the citizens of Georgia on the consequences of hate and prejudice through lessons on the Holocaust. With a variety of programs, the Commission fosters tolerance, good citizenship, and character development among the young people of the state.

Department of Revenue

Roles and Responsibilities

The Department of Revenue was created in 1938 to serve as the lead agency for administering the state's tax laws and collecting and processing state revenue. The Department has seven major divisions: Alcohol and Tobacco, Tax Compliance, Legal Affairs and Tax Policy, Local Government Services, Motor Vehicle Division, Special Investigations, and Taxpayer Services.

ALCOHOL AND TOBACCO

The Alcohol and Tobacco division is composed of two sections: The Law Enforcement section enforces all laws and regulations pertaining to the manufacture, possession, transportation, and sale of legal and illegal alcoholic beverages and tobacco products. The Licenses and Permits section is charged with receiving, processing, and collecting excise tax reports on alcohol and tobacco products. This section is also responsible for alcohol and tobacco applications, registrations, and keg decals.

TAX COMPLIANCE

The Compliance division is responsible for ensuring taxpayer compliance with Georgia's tax laws. The division oversees the department's regional offices within the state and is comprised of two units. The audit unit uses a staff of professional tax specialists to perform nationwide tax audits. The compliance unit ensures compliance with filing deadlines, registration, the collection of delinquent accounts, monitoring special event taxes, and the oversight of private collection agencies.

LEGAL AFFAIRS AND TAX POLICY

This division provides in-house guidance for the Department, analyzes tax and regulatory legislation, and issues written guidance to assist taxpayers in complying with Georgia's tax laws. The division also serves as liaison with the Office of the Attorney General and the Georgia Tax Tribunal.

LOCAL GOVERNMENT SERVICES

The Local Government Services division assists local tax officials with the administration of property tax laws, the distribution of sales tax to local authorities, the administration of the Unclaimed Property Act, and the valuation of public utility property for tax purposes.

MOTOR VEHICLE DIVISION

The Motor Vehicle division issues license plates, Georgia certificates of title, and records liens and security interest information of registered vehicles. The division also operates a call center to assist taxpayers.

SPECIAL INVESTIGATIONS

The Special Investigations division investigates potential criminal violations involving tax fraud, theft, and motor vehicle title and registration fraud. This section also enforces motor fuel and motor carrier laws.

TAXPAYER SERVICES

The Taxpayer Services division performs frontline processing of all tax documents and paper check payments. Division staff review and make corrections and adjustments to returns of all tax types. The division manages the online taxpayer services and functions of the Georgia Tax Center system and operates a call center to respond to taxpayer inquiries. The division interacts with the tax preparation software industry to ensure system compatibility for taxpayer filing use and provides outreach and training to tax professionals to promote compliance with the tax laws of Georgia.

ATTACHED AGENCIES

The State Board of Equalization is attached to the Department of Revenue for administrative purposes only. The board appoints hearing officers that evaluate appeals by local governing authorities on issues relating to the Revenue Commissioner's disapproval of county tax digests.

Secretary of State

Roles and Responsibilities

The Secretary of State is the keeper of the Great Seal of Georgia and custodian of the state flag. The Office of the Secretary of State provides many services for the public, businesses, state agencies, and local governments by regulating and licensing corporations and individuals attaining professional business credentials; administering federal, state, and local elections; and monitoring the securities industry. The office is comprised of six divisions, which include: Corporations, Elections, Investigations, Office Administration, Professional Licensing Boards, and Securities. As a regulatory agency, Secretary of State offers education and examinations, issues licenses, collects fees, investigates complaints or violations of the law, and orders reprimands.

REGULATORY RESPONSIBILITIES

As a regulatory agency, the office offers education and examinations, issues licenses, collects fees for licenses, investigates complaints or violations of the law, and orders reprimands.

The Securities division is responsible for regulating securities and has the authority to adopt necessary rules to monitor the securities industry, including registration of securities brokers, dealers, and firms. The division registers cemeteries, and regulates perpetual care cemeteries, charitable organizations, and paid solicitors.

The Corporations division serves as custodian of filings for foreign and domestic charters, nonprofit organizations, and other types of corporate entity activities. In addition, the division registers and renews trademarks and service marks.

The Professional Licensing Boards division manages numerous occupational and professional regulatory boards. The duties include reviewing and approving applications to practice, scheduling examinations, issuing licenses, maintaining records, investigating violations, and resolving complaints.

STATE ELECTIONS ACTIVITY

The Office of the Secretary of State supervises and monitors all activities related to officials and elections. These activities include overseeing voter registration and maintaining voter rolls; training all local election officials in proper election procedures; coordinating and monitoring all municipal, state, county, and federal elections within the state of Georgia; certifying the qualifications of all candidates; and the preparation of all ballots and elections forms and materials. The office is also responsible for the certification and authorization of all election results within Georgia.

OFFICE ADMINISTRATION

The Office Administration division contains the general administrative support functions of accounting, purchasing, budgeting, human resources, and information technology. The Administrative Procedures section is responsible for administering the rules promulgation process pursuant to the Administrative Procedures Act for the State.

ATTACHED AGENCIES

The Georgia Real Estate Commission ensures professional competency among real estate licensees and appraisers and promotes a fair and honest market environment for practitioners and their customers and clients in real estate transactions in Georgia.

The Georgia Access to Medical Cannabis Commission is responsible for regulating licenses, developing a distribution network, developing procedures for inspections, and establishing requirements and procedures to ensure quality control and oversight of low Tetrahydrocannabinol (THC) oil production in Georgia.

AUTHORITY

Titles 10, 14, 16, 21, 28, 43-45 of the Official Code of Georgia Annotated; Public Law 93-443, 1993; Resolution Act 11, Georgia Laws 1993.

Roles and Responsibilities

The Georgia Student Finance Commission is responsible for administering the state's student financial aid programs, including the Helping Outstanding Pupils Educationally (HOPE) Scholarship Program, the Dual Enrollment program, and other educational scholarships, grants, and loans that are supported by lottery and state general fund appropriations. In FY 2020, the Commission disbursed more than \$780 million in HOPE Scholarships and Grants to more than 176,000 students.

The Commission's companion entities include the Georgia Student Finance Authority and Georgia Higher Education Assistance Corporation. Together, these entities provide administration, oversight, and funding for 20 state and federal scholarship, grant, and loan programs and work to promote and increase access to postsecondary education to Georgians.

GEORGIA HIGHER EDUCATION ASSISTANCE CORPORATION

The Georgia Higher Education Assistance Corporation, a nonprofit public corporation of the state, assists schools and lenders with minimizing loan defaults through default prevention and training programs and default aversion activities. The Corporation also administers the GAfutures website, providing students with college educational planning and financing information and services.

GEORGIA STUDENT FINANCE AUTHORITY

The Georgia Student Finance Authority, a nonprofit public corporation of the state, is responsible for providing student financial aid to eligible Georgians through loan, scholarship, and grant assistance programs as prescribed by the General Assembly. In FY 2020, the Authority disbursed nearly \$130 million in state general funds and agency revenues to more than 70,000 students. In addition, over \$30 million combined from lottery funds and loan repayments were dispersed as Student Access Loans to more than 5,500 students.

The Authority has the responsibility of performing all management, supervisory, clerical, and administrative functions required by the Corporation and the Commission. The Authority also provides administrative and operational support services at no cost to the state for the Georgia Nonpublic Postsecondary Education Commission (GNPEC), which is attached for administrative purposes.

ATTACHED AGENCIES

The Georgia Nonpublic Postsecondary Education Commission (GNPEC), a state regulatory agency, serves Georgia citizens by authorizing and regulating the operation of nonpublic, proprietary postsecondary colleges and schools. GNPEC's primary mission is to ensure that each authorized nonpublic college or school doing business in Georgia is educationally sound and financially stable.

Additionally, GNPEC serves as Georgia's coordinating agency for the State Authorization Reciprocity Agreement (SARA) and oversees the management of the Tuition Guaranty Trust Fund (TGTF), which is designed to provide reimbursement or teach out arrangements for students who are attending institutions that close.

Teachers Retirement System

Roles and Responsibilities

The Teachers Retirement System (TRS) collects employee and employer contributions, invests accumulated funds, and disburses retirement benefits to members and beneficiaries. As required by Georgia law, the system is examined on an annual basis by an independent actuarial firm that specializes in pension and retirement plans. The firm prepares a yearly valuation on the contingent assets and liabilities of the system, thus revealing its ability to meet future obligations. In addition, an independent accounting firm audits the system annually.

Administration of the system is ultimately the responsibility of the TRS Board of Trustees, while daily management of system operations is the responsibility of the executive director. The executive director is appointed by the board and serves at the pleasure of its 10 members as follows:

- State Auditor, ex officio
- State Treasurer, ex officio
- Two classroom teachers (both active members of TRS but not employees of the Board of Regents) appointed by the Governor
- One school administrator (an active member of TRS but not an employee of the Board of Regents) appointed by the Governor
- One Board of Regents employee (an active member of TRS) appointed by the Board of Regents
- One trustee (an active member of TRS but not an employee of the Board of Regents) appointed by the Governor
- One trustee appointed by the Governor
- One retired TRS member elected by the trustees
- One Georgia citizen (who is not a TRS member and is experienced in the investment of money) elected by the trustees

MEMBERSHIP

All individuals employed half-time or more in covered positions of the state's public-school systems, regional libraries, county libraries, and regional educational service agencies are required to be TRS members as a condition of employment. Similarly, employees in covered positions of the University System of Georgia are required to be TRS members unless eligible for participation in an optional retirement plan administered by the University System's Board of Regents. Covered positions include teachers, administrators, supervisors, clerks, teacher aides, secretaries, public school nurses, and paraprofessionals. Also eligible for TRS membership are certain employees of the State Department of Education and the Technical College System of Georgia, along with public school

lunchroom, maintenance, warehouse, and transportation managers and supervisors.

INVESTMENTS

The Investment Services Division handles day-to-day investment transactions. Securities lending and portfolio officers, securities and investment analysts, and investment assistants are all part of the TRS investment team. Six members of the TRS Board of Trustees, along with the executive director, comprise the Investment Committee. Committee members convene with the Chief Investment Officer of the Investment Services Division and hear recommendations from outside investment advisors at monthly meetings. Investment recommendations made by the committee require approval by the entire board.

COLA FUNDS FOR LOCAL SYSTEM RETIREES

Teachers who retired prior to July 1, 1978 from a local retirement system (Atlanta City Schools, Chatham County Schools, Fulton County Schools, and Rome City Schools) receive a post-retirement cost of living adjustment (COLA) to their monthly benefit whenever such adjustment is granted to teachers who retire under TRS.

FLOOR FUNDS FOR LOCAL SYSTEM RETIREES

Any teacher who has retired from a local retirement system (Atlanta City Schools, Chatham County Schools, Fulton County Schools, and Rome City Schools) shall receive a minimum allowance upon retirement of not less than \$17.00 per month for each year of creditable service, not to exceed 40 years of service.

Technical College System of Georgia

Roles and Responsibilities

The Quality Basic Education Act (QBE) of 1985 created a separate State Board of Postsecondary Vocational Education within the Department of Education to promote the economic growth and development of Georgia by providing leadership, direction, and state-level management of public postsecondary technical schools, programs, and services. In 1987, the new board was created as an agency separate from the Department of Education to provide guidance to public technical institutes operated by the state or by local boards of education. The board was renamed the State Board of Technical and Adult Education in 1988 to govern the newly created Department of Technical and Adult Education (DTAE). In 2008, the agency was renamed the Technical College System of Georgia (TCSG).

The Department is divided into six programs: Technical Education, Adult Education, Workforce Development, Economic Development, Quick Start, and Administration.

TECHNICAL EDUCATION

TCSG oversees 22 technical colleges offering more than 600 programs of technical and general instruction. These programs provide opportunities for students to learn new skills or upgrade existing skills to keep pace with rapidly-changing technology and competition in a world market.

Students attending technical colleges have the option of short-term programs as well as courses of study leading to certificates, diplomas, and associate degrees. These programs can range in duration from a few weeks to two years. The technical colleges served approximately 144,000 students and produced approximately 35,000 graduates last year.

ADULT EDUCATION

The Adult Education program, through its network of 31 service delivery areas throughout the state, promotes and provides adult basic education and literacy programs, including the General Educational Diploma (GED) testing program that awards GED diplomas. The program is the primary fiscal agent for the U.S. Department of Education adult literacy funds. It is also the largest adult education provider for other state agencies and facilitates collaboration among state and local entities to improve literacy efforts for adults needing basic English literacy or specialized skills instruction.

WORKFORCE DEVELOPMENT

The Workforce Development program utilizes federal Title I Workforce Innovation and Opportunity Act funds to address the employment and training needs of dislocated workers, low-income adults, and youth to meet the employability and workforce needs of the state's businesses and industries. The State Workforce Development Board oversees services administered through 19 local workforce development areas across the state.

ECONOMIC DEVELOPMENT AND QUICK START

The Economic Development program provides customized services for existing businesses in the state. Additionally, the Quick Start program provides employee training services to new and expanding industries as well as existing industries at no cost. Quick Start plays a key role in the state's business recruitment and retention efforts by serving as a state training incentive. Supported by TCSG's network of technical colleges, Quick Start has provided training for new jobs in virtually every technology required by Georgia's manufacturing and service sectors.

ADMINISTRATION

The Administration program fulfills overall administrative roles for the central office and the technical colleges. These activities include budgeting, accounting, purchasing, asset management, personnel, information technology, research, public information, legal services, planning, and evaluation.

Department of Transportation

Roles and Responsibilities

The Department of Transportation plans, constructs, maintains, and improves Georgia's roads and bridges and provides planning and financial support for other modes of transport. Proceeds from the state's motor fuel taxes are constitutionally designated solely for use on Georgia's roads and bridges.

The Department is governed by a board comprised of members from each of the state's congressional districts elected by each district's state representatives and senators. The board in turn appoints a commissioner. The director of the Planning Division is appointed by the governor and confirmed by the state House of Representatives and Senate Transportation Committees.

PLANNING, CONSTRUCTION, MAINTENANCE AND IMPROVEMENTS

The Department plans, maintains, and improves the roads and bridges of the state highway system. Through the Planning Division, the Department develops a state transportation improvement program and state-wide strategic transportation plan. The Department performs location and environmental studies, conducts mapping and photogrammetric surveys, acquires rights-of-way necessary to construct and maintain highways, supervises all construction and maintenance activities let to contract, ensures the quality of materials used in construction, and conducts research to improve planning and engineering methods.

The Department is also responsible for maintenance and repairs to the roads and bridges of the state highway system. The existing road network is preserved and safety is improved by supervising major reconstruction and resurfacing or rehabilitation projects; performing certain heavy and specialized maintenance, such as emergency repairs, spot improvements, and safety modifications; performing routine maintenance, such as patching pavement, repairing shoulders, maintaining drainage, mowing rights-of-way, erecting and maintaining warning and directional signs, and inspecting roadside parks and rest areas; maintaining state welcome centers and rest areas; and issuing permits for special vehicles such as overweight carriers.

INFORMATION AND TRAVELER SERVICES

The Department provides critical information and services concerning transportation to government agencies and the public. Data collected include truck weight, traffic volume, and speed. The Department also maintains an inventory of the public road system and produces the official state transportation map along with county maps.

The NaviGator system, Highway Emergency Response Operators (HERO), and Coordinated Highway Assistance & Maintenance Program (CHAMP) provide critical services and information to ensure the safe and efficient operation of the state's highways. The NaviGator system uses video cameras,

road sensors, weather stations, and other technology to collect data and control traffic. HERO units respond to traffic incidents on metro Atlanta freeways to minimize any impact on traffic flow. CHAMP units operate outside of the metro Atlanta area and provide incident response, roadway maintenance, motorist assistance, and support emergency response.

MULTIMODAL SERVICES

Multimodal services are comprised of transit, airport aid, rail, and port and waterways services. Transit services preserves and enhances the state's urban and rural public transit program by providing technical assistance and administering the state's allocation of Federal Transit Administration funds including the state's match.

Airport Aid provides financial assistance to cities and counties for airport planning, construction, approach aids, maintenance, and other services as needed. It also maintains the state airport system plan; publishes a state aeronautical chart and airport directory; and lends management and technical assistance to local governments to develop, maintain, and improve air service.

Rail services work to acquire and rehabilitate state-owned rail lines to ensure freight rail service is a safe, efficient, and viable transportation option throughout the state. This effort provides cities, counties, and municipalities the opportunity to offer an efficient transportation alternative to promote economic development in their communities.

Ports and Waterways services are responsible for the provision and maintenance of land, dikes, and control works necessary for storage of dredge materials removed from the Savannah Harbor and River Navigation Channel. Navigation dredging is performed by the U.S. Army Corps of Engineers and the dredged materials are placed inside designated storage areas prepared by the Department.

ATTACHED AGENCIES

The State Road and Tollway Authority operates tolled transportation facilities and acts as the transportation financing arm for the state.

The Atlanta-region Transit Link Authority (ATL) provides coordinated transit planning and funding for the metro Atlanta region. This includes developing the ATL Regional Transit Plan, identifying and prioritizing the projects and initiatives required to develop region-wide transit and operating the Xpress commuter bus service.

Department of Veterans Service

Roles and Responsibilities

The Department of Veterans Service (DVS) serves more than 752,000 Georgia veterans, their dependents, and beneficiaries in all matters pertaining to veterans affairs. Since all veterans' benefits must be applied for, the major activities of the department generally consist of informing veterans and their families about available state and federal benefits and directly assisting and advising them in obtaining those benefits to which they are entitled.

VETERANS ASSISTANCE

The Department provides veterans assistance through an appeals staff, field offices, information division, and central office. The appeals staff assists veterans who are appealing decisions on claims made by the United States Department of Veterans Affairs (VA). The 52 field offices, located throughout the state, provide direct assistance to veterans at the local level. Department field officers provide counsel and assistance in gathering documentation and information required to process a claim. The Information Division keeps Georgia veterans informed about issues and their possible impact. The Central Office manages and supports all administrative requirements.

STATE VETERANS NURSING HOMES

The Department operates two state veterans nursing homes. The Georgia War Veterans Home in Milledgeville is a 550-bed facility licensed to provide skilled nursing care to eligible Georgia war veterans. It consists of three skilled nursing care buildings and an Alzheimer's Care facility.

The Georgia War Veterans Nursing Home in Augusta is a 192-bed skilled nursing care facility located adjacent to Augusta University and the VA Charlie Norwood Medical Center. In addition to providing care for eligible Georgia war veterans, the Georgia War Veterans Nursing Home serves as a teaching facility to acquaint medical and allied health students with medical conditions and diseases that confront the elderly.

GEORGIA VETERANS MEMORIAL CEMETERIES

The Department operates two state veterans memorial cemeteries, which are part of the nation's National Cemetery System. The Georgia Veterans Memorial Cemetery in Milledgeville, which opened in 2001, will eventually be a final resting place for more than 100,000 Georgia veterans, their spouses, and their authorized dependents. The Georgia Veterans Memorial Cemetery in Glennville, which opened in March of 2008, will eventually be a final resting place for more than 36,000 Georgia veterans, their spouses, and their authorized dependents.

VETERANS EDUCATION ASSISTANCE

As the state-approving agency for the federally sponsored Veterans Education Assistance Program (GI Bill), the department is responsible for approving and supervising all institutions (including public and private schools and establishments offering on-the-job training and apprenticeship programs) in Georgia that participate in this program. In addition to approving these institutions, DVS also inspects them regularly to ensure that all criteria for continued approval are met. This function is 100% federally funded and is staffed with eight employees.

GOVERNING AND RESPONSIBILITIES

The seven-member Veterans Service Board appointed by the Governor, and confirmed by the Senate, governs DVS. The day-to-day operation of the department is the responsibility of a Commissioner who is appointed by the Board for a four-year term.

State Board of Workers' Compensation

Roles and Responsibilities

WORKERS' COMPENSATION LAW

Most Georgia employees are covered by the state's workers' compensation law. Since passage of this law, employees may now gain benefits from employers when injured on the job. The law ensures employees certain benefits paid to them as a result of on-the-job injuries. The same law also provides employers with a form of limited liability from these injuries.

The state's workers' compensation law applies to all employers that have at least three full-time, part-time, or seasonal employees. Some categories of workers are exempt, however, including federal employees, railroad workers, farmers, domestic servants, business partners, independent contractors, and some corporate officers.

The State Board of Workers' Compensation was created to oversee the workers' compensation law. The board may create rules, regulations, and policies to enforce this area of law. The board is also vested with the responsibility of conducting training seminars that educate employers, employees, insurers, self-insurers, physicians, and rehabilitation suppliers about workers' compensation law changes and other related issues.

If either the employer or an employee involved in a workers' compensation claim wishes to contest the facts involved in the case, an administrative law judge under the board or a board mediator may be used to settle the issue. Either party disagreeing with this ruling may appeal the decision through the appellate division, state superior or appellate courts; however, that avenue may only be used to debate points of law, not facts of a case.

ORGANIZATIONAL STRUCTURE

The board consists of three directors, one of whom is the chair, and all are appointed by the Governor. The directors promulgate workers' compensation regulations and develop workers' compensation policy. They also hear appeals of administrative law judges' decisions and render rulings on appeals, as well as approve and submit budget requests for the agency.

The executive director/chief operating officer oversees the operations of the board. The executive director also provides management supervision, makes presentations to various groups as requested, assists the directors as needed, and acts as peer review of medical services.

The Alternative Dispute Resolution Division mediates appropriate issues, issues orders, and makes presentations to various groups as requested.

The Appellate Division researches cases that are appealed to the board, recommends appropriate action, receives and processes documents regarding appealed cases, and sets calendars for appellate hearings.

The Claims Processing Division includes data entry, documents processing, and file room units. These units are responsible for coding and quality input of claims data, processing correspondence, and coordinating the transfer, retention, and destruction of all claims files.

The Enforcement Division investigates incidents of non-compliance and incidents alleging fraud, maintains information on employers' insurance coverage, and makes presentations to various groups regarding fraud/compliance.

The Legal Division is responsible for conducting hearings in contested cases and ruling on motions. The Division schedules and holds hearings for those claims in which an evidentiary hearing was requested by a party, or in cases where mediation conference was either inappropriate or did not result in resolution of the pending issues.

The Managed Care and Rehabilitation Division processes requests for rehabilitation services, performs quality assurance reviews of rehabilitation suppliers, holds conferences to resolve disputes, reviews and approves rehabilitation plans, reviews applications of managed care organizations, and registers rehabilitation suppliers.

The Settlements Division reviews and processes stipulated settlements and requests for advances.

The Information Technology Services Division provides innovative, contemporary, and accessible technology in computing, media, telephone services, and training to enable staff to meet their goals as a state agency.

Georgia Economic Report

Georgia's economy was strong entering 2020, with employment growth accelerating and Georgia one of only twelve states with per capita personal income growth over the 2010-2019 decade that was above the national average.¹ However, this strengthening economy was interrupted by the COVID-19 pandemic beginning in March 2020.

While unemployment and business closures both briefly rose dramatically during the pandemic, Georgia's economy recovered more quickly than in many other states due to an early reopening of the economy combined with strong public health guidelines for reopening businesses, generous federal aid to people and businesses, and its diverse economy. Through the summer and fall, Georgia had a lower unemployment rate and a smaller drop in small business hours worked than the national average.²

National fiscal policy in response to the pandemic was also critical in supporting Georgia's economy in 2020. The Paycheck Protection Program kept many Georgia small businesses afloat during the initial months when shutdowns were most prevalent. Federal stimulus checks and enhanced unemployment benefits served to boost savings, spending, and personal income. The result was a unique recession in 2020, highlighted by both its short length (likely no more than six months in duration) and by the country seeing personal incomes rise in tandem with unemployment and business closures. As a result of federal action, through November 2020, personal income had risen 3.4% for the year³, the savings rate remained above ten percent,⁴ and credit card balances nationwide fell by \$120 billion during 2020.⁵

While the Georgia economy has greatly exceeded expectations for 2020 given the impact of the pandemic on individual lives and business operations, the economy likely will not fully recover until consumers feel safe fully engaging in regular economic activities. While consumer confidence is rising, it is not back to pre-pandemic levels. Until then, Georgia's economy will still be somewhat held back by its

hardest-hit sectors: travel and accommodations, restaurants, and personal services.

While increased spending on food for home consumption and, home improvement projects, and online purchases have helped offset the declines in other, higher-interaction activities, this still leaves some businesses and individuals struggling. This is the final key point about Georgia's economy in 2020: while in aggregate the state has weathered the pandemic much better than anticipated, certain businesses and workers continue to be greatly affected. The aggregate economic performance has helped support state revenue collection and left many households in good shape economically, but there is still a segment of people and businesses that have been heavily impacted. Additional federal support will assist those segments through early 2021 until vaccine distribution can aid consumer confidence and a return to normal economic activity.

Looking forward to fiscal year 2022 (starting in July 2021), a gradual return to normal is expected. With vaccination likely concluding in the first half of the fiscal year, sectors such as food service, entertainment, and travel should see gains. This will be important for the economic recovery in the Atlanta metro, which has suffered from the lack of business travel and cancelled conventions. As these hard-hit sectors recover, those who gained during the pandemic, such as home improvement, will see declines back toward their pre-pandemic levels. Some changes are likely permanent (more video conferencing, more online shopping), but fiscal 2022 will still see some normalization of baseline spending patterns as people gain confidence that the pandemic has been brought under control. Finally, as is typical emerging from recessions, new business formation should be strong with new companies and innovative products taking advantage of disruption to find buyers for their goods and services. Georgia should gain considerably from such entrepreneurship as it continues to be ranked the number one state in which to do business.

Note on Expenditure Projections:

Fiscal Years 2020 and 2021 are based on the Governor's Budget Recommendations for those years. Projections for Fiscal Years 2022 to 2024 are based on agency caseload growth and an inflation factor. Debt service projections for FY 2022 to FY 2024 are provided by the Georgia State Financing and Investment Commission and include only the debt service for general obligation bonds. Funding for guaranteed revenue bonds is provided through the State Road and Tollway Authority and reflected under Transportation. For Fiscal Years 2022 to 2024, a straight line projection has been employed and does not account for budget control measures and policy decisions necessary to meet the requirement for a balanced budget.

GLOSSARY

A

ADJUSTED BASE -- The beginning point for development of the state budget for the upcoming fiscal year. The adjusted base consists of the current fiscal year Annual Operating Budget, less non-recurring expenditures, plus the amount to annualize pay for performance.

AGENCY FUNDS -- Funds collected by the various agencies of state government and retained to be spent on agency programs. These funds are estimated in the Governor's Budget Report and the Appropriations Act. The agencies can change the amount of these funds by amendments to the Annual Operating Budget based on actual collections during the year. Also known as Other Funds.

ALCOHOLIC BEVERAGE (DISTILLED SPIRITS) TAX -- A state excise tax per liter upon the first sale, use, or final delivery within the state and an import tax per liter of distilled spirits; an excise tax per liter upon the first sale, use, or final delivery within the state and an import tax per liter on all alcohol.

ALLOTMENT -- The authorization for a state agency to withdraw funds from the state treasury for expenditure. Before each fiscal year begins, agencies must file an annual operating budget plan based on an Appropriations Act. Allotments are requested monthly based on the plan. Once a monthly allotment is approved for an agency, that agency can draw funds as needed.

AMENDED BUDGET REPORT -- A document submitted by the Governor to the General Assembly in which the Governor recommends spending changes in the current fiscal year for the agencies of state government. The Amended Budget Report can involve budget additions, budget deletions or transfers of funds within agency object classes. Also known as the "supplemental budget" or the "little budget."

AMERICAN RECOVERY AND REINVESTMENT ACT (ARRA) -- An act passed by Congress and signed into law by President Obama on February 17, 2009. The purpose of the Recovery package is to jump-start the economy to create and save jobs. The Act specifies appropriations for a wide range of federal programs, and increases or extends certain benefits under Medicaid, unemployment compensation, and nutrition assistance programs. The legislation also reduces individual and corporate income tax collections, and makes a variety of other changes to federal tax laws.

ANNUAL OPERATING BUDGET (AOB) -- A plan for annual expenditures based on the Appropriations Act, by agency and functional budget. The plan details a level of expenditure by object class for a given fiscal year and must be approved by the Office of Planning and Budget before taking effect.

ANNUAL OPERATING BUDGET AMENDMENT -- Revisions to the annual operating budget, which must be submitted to OPB for approval. Typically, these revisions are due to the receipt of

funding that was not included during the appropriations process or transfer of funds from one activity/function to another.

APPROPRIATION -- An authorization by the General Assembly to a state agency to spend, from public funds, a sum of money not in excess of the sum specified for the purposes in the authorization.

APPROPRIATIONS ACT -- Legislation that has been passed by the General Assembly to authorize expenditure of state, federal and other funds during a given fiscal year. While under consideration, it is called an appropriations bill.

ATTACHED AGENCIES -- Smaller agencies are sometimes attached to a larger state agency for "administrative purposes only" to reduce administrative costs by consolidation. These small agencies operate autonomously but receive funding through the larger agency. Authorities by law cannot directly receive state funds and are attached to budgeted state agencies for any state appropriations that might occur.

ATTRITION -- A means of reducing state employment, especially during economic slowdowns, by eliminating positions as they become vacant rather than filling them with new employees.

AUTHORITY -- A public corporation formed to undertake a state responsibility that operates in a competitive financial and business environment and should be run like a business corporation. Most authorities generate revenue and need to operate without the strict regiment of rules that confine most departments of government. Authorities usually have the power to issue revenue bonds to construct facilities.

B

BUDGET -- A complete financial plan for a specific fiscal year as proposed in the Governor's Budget Report and as modified and adopted by appropriations and revenue acts.

BUDGET ACCOUNTABILITY AND PLANNING ACT -- An Act passed by the 1993 General Assembly that fundamentally changed Georgia's budget process. The Act made accountability and efficiency the driving forces behind budget decisions, as well as the attainment of agreed-upon goals that have been outlined in comprehensive strategic plans for the state and each of its agencies. The requirement for outcome based budgeting is provided through the performance and results measures in Prioritized Program Budgeting. The measure mandated an ongoing review of agency continuation budgets and a more detailed review of expenditures at the individual program level. Procedures and requirements for grant awards by state agencies also were established.

BUDGET CLASS -- See Object Class.

BUDGET CYCLE -- A period of time in which a specific budget is in effect, usually 12 months. See fiscal year for dates applying to state and federal budgets.

GLOSSARY

BUDGET ESTIMATE -- A statement which accompanies explanations, as required by state law, in which a budget unit states its financial requirements and requests for appropriations. Also known as an agency's budget request, which must be submitted to OPB by September 1 of each year.

BUDGET MESSAGE -- A speech by the Governor to the General Assembly in which the Governor outlines his spending proposals and revenue projections, including recommendations for increasing or decreasing revenues, which are included in an accompanying budget document. The formal budget message, dealing primarily with the following year's budget, is made to a joint session during the first week that the Legislature convenes.

BUDGET REPORT -- A document that displays all programs, efforts and expenditures that are recommended by the Governor for each agency during a specific fiscal year. The Budget Report includes the Governor's official estimate of state revenue to be collected during the fiscal year and details any surplus, reserve or other funds that are available for expenditure. The fund availability outlined by the Governor determines the size of the budget for any given year. The Budget Report for the upcoming fiscal year is also known as the "big budget," the "outyear budget" and the "Governor's budget." The Amended Budget Report, which recommends changes to the current fiscal year budget, is also known as the "little budget."

BUDGET UNIT -- A department, board, commission, office, institution or other unit of organization that has, under general law, an independent existence and thus is authorized to receive and expend an appropriation. A department or agency may have one or more budget units in the Appropriations Act.

C

CAPITAL OUTLAY -- Funds designated specifically to acquire, construct, renovate or repair public facilities and other assets. These funds may be appropriated in cash - from state general funds, lottery funds or other funds - or be provided through the sale of general obligation bonds or revenue bonds.

CONFERENCE COMMITTEE -- A group of six legislators—three Representatives and three Senators—who are appointed by the presiding officers of the respective houses to reconcile different versions of the appropriations bill and other legislation that have been passed by the House and Senate.

CORPORATE INCOME TAX -- The tax is a non-graduated percentage tax based on a corporation's federal taxable net income. The tax rate is based on a corporation's taxable net income attributed to business done in Georgia.

D

DEDICATED FUNDS -- Funds collected from a specific revenue source that must be appropriated for a specific expenditure. An example in Georgia is motor fuel tax funds, which must be constitutionally appropriated for programs related to providing and maintaining an adequate system of public roads and bridges.

DEBT LIMITATION -- The State Constitution places a ceiling on state indebtedness by limiting general obligation bond debt service payments to 10% of net treasury receipts for the prior fiscal year.

E

EMERGENCY FUND -- An appropriation to the Office of the Governor that is set aside for the Governor to provide grants to state agencies to meet emergency needs. Grants from the fund cannot involve a recurring obligation.

ENHANCEMENT FUNDS -- Funding for required services that are above adjusted base level.

ENTITLEMENT PROGRAMS -- Certain programs, usually federal in origin, that provide benefits to individuals based on specific eligibility requirements. Medicaid is the largest entitlement program operated by the state.

ESTATE (INHERITANCE) TAX -- Based on the value of the estate of residents as required to be reported for federal tax purposes. The tax is the amount equal to the amount allowable as a credit for state tax credits under the Internal Revenue Code.

F

FEDERAL FUNDS -- Funding from the federal government to pay for all or portions of specific programs. Often, federal funds require a state fund "match" in order to receive the federal allocation.

FEDERAL RECOVERY FUNDS -- See American Recovery and Reinvestment Act.

FISCAL AFFAIRS SUBCOMMITTEE -- Twenty members of the House of Representatives and the Senate comprise the Fiscal Affairs Subcommittee, which is authorized to meet when the General Assembly is not in session to consider fiscal affairs transfers as described below at the request of the Governor. The membership includes the House Speaker and four other State Representatives appointed by the Speaker, the Lieutenant Governor and four Senators appointed by the Lieutenant Governor, and five members of each house appointed by the Governor.

FISCAL AFFAIRS TRANSFERS -- Appropriations are made through allocations to specific object classes, and funds must be spent within those object classes. Language in each Appropriations Act states that "...no funds whatsoever, shall be transferred between object classes without the prior approval of at least 11 members of the Fiscal Affairs Subcommittee in a meeting called to consider said transfers. This...shall apply to all funds of each budget unit whatever source derived." Fiscal affairs transfers can be considered at any time at the Governor's request but are usually considered near the end of the fiscal year to help agencies to meet emergency needs and to address unanticipated budget problems.

GLOSSARY

FISCAL YEAR -- Any 12-month period at the end in which financial accounts are balanced. The state fiscal year begins July 1 and ends June 30. The federal fiscal year begins October 1 and ends September 30.

FRINGE BENEFITS -- Benefits that are provided to state employees over and above their salaries, as an inducement to employment. These benefits include retirement, health insurance and employer Social Security contributions.

FUNDS [i.e., state, total, other] -- As used for the general purposes of the budget summaries and schedules in this document, unless otherwise noted, refers to state revenues available or received. The state's specific governmental accounting fund classifications are documented in the state Comprehensive Annual Financial Report prepared by the Department of Audits and Accounts.

G

GENERAL FUNDS -- State money that is used for general purposes of state government. General funds are derived from taxes, fees and other general revenues and are appropriated to finance the ordinary operations of governmental units. These funds are included in the Governor's Revenue Estimate and are a part of the State's Budget Fund for accounting purposes.

GENERAL OBLIGATION BONDS -- Bonds sold by the state to fund major capital outlay projects or for the management of state debt. The bonds are backed by "the full faith, credit and taxing power of the state."

GUARANTEED REVENUE BONDS -- State-sold bonds that have the principal and interest payable from earnings of a public enterprise. The state is required by law to appropriate one year's debt payment and to retain the total at that level until the bonds have been retired. Guaranteed Revenue Bonds can only be issued for specific purposes as outlined in the State Constitution.

H

HOUSE BUDGET AND RESEARCH OFFICE -- An agency within the Legislative Branch that serves as budget advisor to the House of Representatives.

I

INDIGENT CARE TRUST FUNDS -- A program that involves the use of Medicaid funds to compensate disproportionate share hospitals for indigent care and to support expanding primary care programs. Participating hospitals make payments into the Trust Fund, and these payments are used to match with Medicaid funds. Most of the funds are then returned to the hospitals, with a small amount used for state-level programs. An amendment to the State Constitution authorized the newly revamped program and restricts the use of these funds. These funds are included in the Governor's Revenue Estimate and are a part of the State's Budget Fund for accounting purposes.

INDIVIDUAL INCOME TAX -- The tax is based upon an individual's federal adjusted gross income with specific adjustments as provided by state law.

INSURANCE PREMIUM TAX -- Tax based on premiums on persons, property, or risks in Georgia written by insurance companies conducting business in the state.

INTER-AGENCY TRANSFERS -- A transfer of funds between state departments, either in an Appropriations Act or by the State Office of Planning and Budget pursuant to a legislative authorization.

L

LAPSE -- The automatic termination of an appropriation. Since most appropriations are made for a single fiscal year, any unexpended or unencumbered fund balances at the end of the fiscal year lapse into the state's general treasury, unless otherwise provided by law. There are two kinds of lapses. Non-allotted lapses occur when appropriations are never allotted to a state agency for expenditure and automatically revert to the state treasury on June 30 of each year. Audited lapses occur when budgeted funds are allotted to a state agency for expenditure but are not spent. These unspent funds are identified and lapsed by the State Auditor in the annual audit of each state agency.

LINE-ITEM APPROPRIATION -- An appropriation spelled out in language in the Appropriations Act that authorizes specific expenditures for a state agency. Line-items appropriations may be vetoed by the Governor.

LOTTERY FUNDS -- The net proceeds from the sale of lottery tickets dedicated to funding educational purposes and programs. By law educational purposes include capital outlay projects for educational facilities; tuition grants, scholarships or loans to citizens of Georgia to attend post-secondary institutions in Georgia; training to teachers in the use of electronic instructional technology; costs associated with purchasing, repairing and maintaining advanced electronic instructional technology; a voluntary pre-kindergarten program; and an education shortfall reserve. These funds are included in the Governor's Revenue Estimate and are a part of the State's Budget Fund for accounting purposes.

LUMP SUM -- A single appropriation for a specific purpose that does not specify a breakdown by object class expenditure.

M

MATCHING FUNDS -- A type of federal or state grant that requires the government or agency receiving the grant to commit funding for a certain percentage of costs to be eligible for it.

MIDTERM ADJUSTMENT -- Additional appropriations to the State Board of Education in an Amended or Supplementary Budget to fund State Quality Basic Education (QBE) requirements for increased enrollment. Initial QBE funding cannot fully and accurately anticipate future enrollment. Midterm

GLOSSARY

adjustments in funding are based on full-time equivalent enrollment counts during the fall quarter.

MIDYEAR ADJUSTMENT RESERVE -- A reserve of funds that is set aside each year from prior fiscal year surplus funds to provide additional spending for state agencies in an Amended or Supplementary Budget. The reserve totals 1% net revenue collections, to the extent that surplus funds are available. It is established prior to the Revenue Shortfall Reserve, which is explained elsewhere.

MOTOR FUEL RESERVES -- If actual motor fuel tax collections exceed the estimate, these funds are set-aside in a reserve and are appropriated to the State Department of Transportation in a subsequent Appropriations Act.

MOTOR FUEL TAX FUNDS -- All motor fuel revenue collections are allocated for public highway and bridge construction or maintenance by provisions of the State Constitution. Motor fuel tax revenues are collected from a cents per gallon excise tax collected at the time of sale by the licensed distributor. These funds are included in the Governor's Revenue Estimate and are a part of the State's General Fund for accounting purposes.

MOTOR VEHICLE LICENSE TAX -- Collected for the title registration and license tags of motor vehicles, trailers, and truck tractors.

N

NON-APPROPRIATED FUNDS -- Monies received or spent that are not contemplated by an Appropriations Act. These funds must be amended into an agency's budget through a request to the Office of Planning and Budget.

O

OBJECT CLASS -- A grouping of similar expenditure items that form the basis of appropriations and records of expenditure. Establishment of budget object classes and changes are coordinated with the State Auditor's Chart of Accounts to ensure consistency in statewide financial reports. Common object classes are those that are shared by almost all agencies, including personal services, regular operating expenses, travel, motor vehicle purchases, postage, equipment, computer charges, real estate rentals and telecommunications. Unique object classes are those that apply to only one or a few agencies, such as public library materials and driver's license processing.

OFFICE OF PLANNING AND BUDGET (OPB) -- A part of the Office of the Governor with the responsibility of providing the Governor with assistance in the development and management of the state budget. The Governor is the Director of the Budget.

ORIGINAL APPROPRIATION -- The first budget passed that sets appropriations for all of state government for the next full year after a legislative session. The budget is generally

amended in midyear to more accurately reflect current needs of state agencies.

OTHER FUNDS -- Funds received by state agencies and institutions for services performed such as tuition fees paid by students to colleges, universities and technical colleges and fees collected by state parks. These funds are not turned into the state treasury but are retained by agencies and spent in accordance with an Appropriations Act or state law. Also known as agency funds.

P

PERFORMANCE MEASURES -- Quantitative or qualitative criteria by which to gauge a program's performance.

PERSONAL SERVICES -- The cost of state employees, including salary, fringe benefits and other expenses. This also includes temporary labor.

PROGRAM -- Systematic set of activities undertaken to accomplish an agency's core businesses.

PRIORITIZED PROGRAM BUDGET -- A performance/results and customer-focused method of budgeting wherein agency programs are identified and are funded based upon their importance in carrying out the agency's mission and core businesses. Programs are measured on their effectiveness and efficiency in achieving desired outcomes.

R

RESULTS MEASURES -- Indicators by which to assess the impact of a program on its customers or community.

REVENUE ESTIMATE -- An estimate of revenues that will be collected by the state during a fiscal year. These revenues include taxes, fees and sales, and other general revenues that flow into the state treasury and are available for expenditure in a budget recommended by the Governor and approved by the General Assembly.

REVENUE SHORTFALL RESERVE -- An account established by the State Auditor to make up shortages that might occur in revenue collections at the end of the fiscal year and is commonly known as the "rainy day" fund. The reserve cannot exceed 15% of the previous fiscal year's net revenue. Funds are set-aside in the Revenue Shortfall Reserve only after the Midyear Adjustment Reserve is fully funded.

S

SALES TAX -- Common name for the state Sales and Use Tax levied upon retail sales, rentals, leases, use or consumption of tangible personal property, and certain services. The statewide sales tax rate is 4%. Various items are exempt from the state sales tax by state law.

GLOSSARY

SENATE BUDGET AND EVALUATION OFFICE -- An agency within the Legislative Branch that serves as budget advisor to the Senate.

STATE AID -- Grants and other funding provided by Georgia's state government to assist cities, counties, public schools and other allied groups in providing various services and programs to the citizens of Georgia.

STATE FUNDS -- Includes: (1) The taxes and fees collected by the state and deposited directly into the state treasury to be appropriated; (2) Reserves; (3) Surplus funds; (4) Lottery receipts; (5) Indigent Care Trust Funds; (6) Motor Fuel tax funds; and (7) Tobacco Settlement funds, all of which form the basis for the Governor's revenue estimate.

STATEMENT OF FINANCIAL CONDITION -- A statement which discloses the assets, liabilities, reserves and equities of the state and its governmental units at the end of each fiscal year.

STATE TREASURY -- A function of state government that receives, manages, invests and allocates all state revenues that are available for expenditure through the state's general fund budgetary process. The function is managed by the Office of the State Treasurer within the Department of Administrative Services.

STRATEGIC PLANNING -- The process through which a preferred future direction and organizational mission are established and periodically updated in light of changing trends and issues. Goals, objectives and strategies are adopted and implemented to guide an organization toward that preferred future direction.

SUB-OBJECT CLASS -- The lowest level of detail used in recording expenditures. Supplies and materials is a sub-object class of regular operating expenses.

SUPPLEMENTARY APPROPRIATIONS -- Increased funding that is approved by the General Assembly in a separate, stand-alone Appropriations Act, usually passed early in the session to get new money into projects with a high time priority. A supplementary appropriations act, which is often called a "speedy bill," cannot reduce spending or transfer funds previously appropriated.

SURPLUS -- Unspent funds at the end of a fiscal year. Surplus funds come from two sources: excess revenue collections over the revenue estimate, and unspent appropriations that were lapsed back to the state treasury and are available for re-appropriation.

————— T —————

TITLE AD VALOREM TAX -- The Title Ad Valorem Tax replaced the previous general sales tax on motor vehicles effective March 1, 2013. The general sales tax had generally applied only to the purchase of new and used vehicles from dealers, while the TAVT is applied when a title to a vehicle is

issued and applies to virtually all transfers of title. As of January 1, 2015, the tax rate is 7.0%, although different rates apply to certain categories of title transfers. The tax rate is applied to the market value of the vehicle less any trade-in.

TOBACCO SETTLEMENT FUNDS -- Funds received as part of the 1998 national settlement with five major tobacco manufacturers to recover smoking related costs. The settlement provides for annual payments to Georgia based on a formula, with annual adjustments based on inflation and future national sales of cigarettes. These funds are included in the Governor's Revenue Estimate and are part of the State's Budget Fund for accounting purposes.

TOBACCO TAX -- State tax on cigars based on the wholesale cost price; the state tax on cigarettes is based on per pack of 20. The state tax on loose or smokeless tobacco is based on the wholesaler's cost.

————— U —————

UNIT -- A state agency or a division within an agency that is authorized to receive an appropriation. Functions or activities are a part of a unit.

USER TAXES AND FEES -- Charges associated with using a particular service provided by state government to its citizens. The charge generally recovers the cost of providing the service. Examples include state park receipts and driver's licenses.

————— V —————

VETO -- An action by the Governor that rejects appropriations passed by the General Assembly. The Governor is authorized to veto by line-item specific spending authorizations, or language within an appropriations bill, or the entire bill. Line-item vetoes are more customary.

————— W —————

WINE TAX -- An excise tax per liter on the first sale, use, or final delivery within the state and an import tax per liter for table wines; dessert wines (more than 14%, but not more than 21% alcohol by volume) have an excise tax per liter and an import tax per liter.
